GUARANTY AGREEMENT

The Guaranty Agreement ("Agreement") made and entered into as of November 1, 1980, by and between Advanced Machine and Tool Corporation ("Guarantor") which corporation is duly organized and existing under the laws of the State of Indiana, and Lincoln National Bank and Trust Company ("Trustee"), Fort Wayne, Indiana, together with any successor trustee, at the time serving as such under the Indenture (as hereinafter defined);

WITNESSETH:

WHEREAS, the City of Fort Wayne ("Issuer") has the authority pursuant to Indiana Code, Title 18, Article 6, Chapter 4.5, to issue revenue bonds of the Issuer for the purpose of financing the acquisition, construction, installation and equipping of economic development facilities; and

WHEREAS, the Issuer has authorized the issuance of $800,000 of revenue bonds of the Issuer and the lending of the proceeds thereof to Taulbee-Burke Joint Venture ("Company") pursuant to a loan agreement dated as of November 1, 1980 ("Loan Agreement") for the purpose of acquiring, constructing, installing and equipping of economic development facilities ("Project") for the leasing thereof to Guarantor and the aforesaid issue of bonds is hereinafter referred to as "Bonds"; and

WHEREAS, the Bonds are to be issued under and pursuant to a Mortgage and Indenture of Trust, dated as of the date hereof by and between the Issuer, Company and Trustee ("Indenture"); and

WHEREAS, the Guarantor is desirous that the Issuer issue the Bonds and apply the proceeds as aforesaid for the Company so that Guarantor will have the Project to lease at rental rates reflective of the rates on the Bonds, and is willing to enter into this Agreement in order to enhance the marketability of the Bonds and thereby achieve interest cost and other savings to such Company and Guarantor, and as an inducement to the purchase of the Bonds by all who shall at any time become holders of the Bonds, the Guarantor does hereby, subject to the terms hereof, covenant and agree with the Trustee as follows:

ARTICLE I

Representations and Warranties of the Guarantor

Section 1.1. The Guarantor does hereby represent and warrant that it is a corporation duly organized and in good standing under the laws of the State of Indiana; it is not in default under any provisions of its Articles of Incorporation; it has corporate power under the laws of the State of Indiana and under its Articles of Incorporation to enter into and perform all agreements on its part herein contained; it has been authorized to enter into this Agreement by all necessary and proper corporate action; the execution and delivery by it of this Agreement and the agreements herein contained do not contravene or constitute a default under any provision of its Articles of Incorporation or by-laws or any agreement, indenture or other commitment to which it is a party or by which it is or may be bound; and this Agreement constitutes a valid, legal and binding obligation of the Guarantor, enforceable against the Guarantor in accordance with its terms.

ARTICLE II

Covenants and Agreements

Section 2.1. The Guarantor hereby unconditionally guarantees to the Trustee for the benefit of the holders at any time and from time to time of the Bonds and the interest coupons appertaining thereto (a) the full and prompt payment of the principal of and any premium on each Bond when and as the same shall become due, whether at the stated maturity thereof, by acceleration, call for redemption or otherwise, and (b) the full and prompt payment of any interest on each Bond when and as the same shall become due; and agrees, in the event of any failure of the Issuer promptly to make such payments of principal, premium, if any, or interest, to make such payments to the Trustee for the benefit of the then holders of the Bonds and the interest coupons appertaining thereto.

All payments by the Guarantor shall be paid in lawful money of the United States of America at the trust office of the Trustee. Each and every default in payment of the principal of, premium, if any, or interest on any Bond shall give rise to a separate cause of action hereunder, and separate suits may be brought hereunder as each cause of action arises.

Section 2.2. Subject to Section 2.10 hereof, the obligations of the Guarantor under this Agreement shall be absolute

and unconditional and shall remain in full force and effect until the entire principal of, premium, if any, and interest on the Bonds shall have been paid or duly provided for in accordance with the provisions of the Indenture and until such payment or provision shall have been made, shall not be affected, modified or impaired upon the happening from time to time of any event, including, without limitation, any of the following, whether or not with notice to or the consent of the Guarantor:

(a) the waiver, compromise, settlement, release or termination of any or all of the obligations, covenants or agreements of the Issuer under the Indenture;

(b) the failure to give notice to the Guarantor of the occurrence of a default under the terms and provisions of the Bonds, this Agreement or the Indenture;

(c) the transfer, assignment or mortgage or the purported transfer, assignment or mortgage of all or any part of the interest of the Issuer, Company or Guarantor in the Project or any failure of title with respect to the interest of the Issuer, Company or Guarantor in the Project or the invalidity, unenforceability or termination of the Loan Agreement;

(d) the waiver, compromise, settlement, release or termination of the payment, performance or observance by the Issuer or the Company or any subsequent owner of the Project of any of the obligations, covenants or agreements of any of them contained in the Indenture, the Bonds, the Loan Agreement or this Agreement;

(e) the extension of the time for payment of any principal of, premium, if any, or interest on any Bond owing or payable on such Bond or under this Agreement or of the time for performance of any other obligations, covenants or agreements under or arising out of the Indenture or this Agreement or the extension or the renewal of either thereof;

(g) the taking or the omission of any of the actions referred to in the Indenture or any actions under this Agreement;

(h) any failure, omission, delay or lack on the part of the Issuer or the Trustee to enforce, assert or exercise any right, power or remedy conferred on the Issuer or the Trustee in this Agreement, the Loan Agreement or the Indenture, or any other act or acts on the part of the Issuer, the Trustee or any of the holders at any time or from time to time of the Bonds or the interest coupons appertaining thereto, if any;

(i) the voluntary or involuntary liquidation, dissolution, sale or other disposition of all or substantially all the assets, marshalling of assets and liabilities, receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization, arrangement, composition with creditors or readjustment of, or other similar proceedings affecting the Taulbee-Burke Joint Venture, the Issuer or any subsequent owner of the Project or any of the assets of any of them, or any allegation or contest of the validity of this Agreement or the Loan Agreement in any such proceeding or the disaffirmance of the Loan Agreement or this Agreement in any such proceeding;

(j) to the extent permitted by law, the release or discharge of the Guarantor from the performance or observance of any obligation, covenant or agreement contained in this Agreement by operation of law;

(k) the default or failure of the Guarantor fully to perform any of its obligations set forth in this Agreement; or

(l) the lack of authority of any individual executing, the nonbinding status of, or the invalidity or unenforceability of any of the Bonds or the interest coupons appertaining thereto, if any, or any limitations on the liability of the Issuer thereunder.

The Guarantor hereby unconditionally waives diligence, presentment, protest, notice of dishonor and notice of default of the payment of any amount at any time payable by the Issuer under or in connection with the Bonds.

Section 2.3. No set-off, counterclaim, reduction or diminution of any obligation, or any defense of any kind or nature which the Guarantor has or may have against the Issuer or any subsequent owner or the Trustee shall be available hereunder to the Guarantor against the Trustee other than as specified in Section 2.10 hereof.

Section 2.4. In the event of a default in payment of the principal of, or premium, if any, on any Bond when and as the same shall become due, whether at the stated maturity thereof, by acceleration or call for redemption or otherwise or upon the occurrence of an event of default under the Indenture in the payment of any interest on any Bond when and as the same shall become due, the Trustee may, and if requested so to do by the holders of 25% in aggregate principal amount of any Bonds, the principal, premium or interest on which shall not have been so paid, shall, proceed hereunder directly against the Guarantor under this Agreement.

The Guarantor agrees to pay all costs, expenses and fees, including all reasonable attorneys' fees, which may be incurred by the Trustee in enforcing or attempting to enforce this Agreement following any default on the part of the Guarantor hereunder, whether the same shall be enforced by suit or otherwise.

Section 2.6. The Guarantor agrees that during the term hereof it will maintain its corporate existence, will not dissolve or otherwise dispose of all or substantially all of its assets, and will not consolidate with or merge into another corporation, or permit one or more other corporations to consolidate with or merge into it; provided, that the Guarantor may, without violating the agreement contained in this Section (a) consolidate with or merge into another corporation, or permit one or more other corporations to consolidate with or merge into it, provided the surviving or resulting corporation, as the case may be, is organized under the laws of one of the states of the United States and assumes in writing all of the obligations of the Guarantor herein, or (b) transfer to another corporation organized under the laws of one of the states of the United States all or substantially all of its assets as an entirety and thereafter dissolve if the corporation to which such transfer shall be made expressly assumes in writing all of the obligations of the Guarantor herein.

Section 2.7. The Guarantor will keep proper books of record and account in accordance with generally accepted principles of accounting and will furnish to the Trustee, upon its request, such information respecting the business affairs, operations and financial condition, as are provided to shareholders of the Guarantor.

Section 2.8. This Agreement is entered into by the Guarantor for the benefit of the holders from time to time of the Bonds, all of whom shall be entitled to enforce performance and observance of this Agreement and of the guarantees and other provisions herein contained to the same extent as if they were parties hereto. For the benefit of the holders of the Bonds from time to time outstanding, the Trustee hereby accepts the trusts imposed on it by this Agreement.

Section 2.9. The terms of this Agreement may be enforced as to any one or more breaches either separately or cumulatively.

Section 2.10. Anything in this Agreement to the contrary notwithstanding, a payment by the Issuer or the Guarantor to the Trustee of any item contemplated by Section 2.1 of this Agreement to be paid shall constitute a full and complete discharge and release of the Guarantor of its obligations under this Agreement with respect to said item, and after any such payment shall be made to the Trustee, the Guarantor shall not be liable for, or be required or obligated to see to, the application or disposition of such payment by the Trustee.

ARTICLE III

Notice and Service of Process, Pleadings and Other Papers

Section 3.1. The Guarantor covenants that it is a corporation subject to service of process in the State of Indiana. The Guarantor hereby designates and appoints, without power of revocation, (i) as resident agent in the State of Indiana for service of process in the State of Indiana _____ or (ii) if that agent shall cease to act, the Secretary of State of the State of Indiana, as the agent of the Guarantor upon whom may be served all process, pleadings, notices or other papers which may be served upon the Guarantor as a result of any of its obligations under this Agreement. The Guarantor covenants also that it will at all times have designated in the State in which the principal office of the Trustee is located a statutory agent for the service of process.

Section 3.2. Any notice, process, pleadings or other papers served upon any of the foregoing agents shall, at the same time, be sent by registered mail to 6225 Commodity Court, Fort Wayne, Indiana 46808, or such other addresses as may be furnished by the Guarantor to the Trustee in writing.

ARTICLE IV

Miscellaneous

Section 4.1. No amendment, change, modification, alteration or termination of the Indenture shall be made which would in any way increase the Guarantor's obligations under this Agreement without obtaining the prior written consent of the Guarantor.

Section 4.2. The obligations of the Guarantor hereunder shall arise absolutely and unconditionally on the issuance, sale and delivery of the Bonds by the Issuer.

Section 4.3. No remedy herein conferred upon or reserved to the Trustee hereunder is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default, omission or failure of performance hereunder shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trustee to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice.

In the event any provision contained in this Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing, but solely by an instrument in writing duly executed by the parties thereunder duly authorized by this Agreement.

Section 4.4. Notwithstanding anything therein to the contrary, if the Guarantor shall assume any of the obligations of any owner under the Loan Agreement, it shall have all the rights and obligations of any such owner under the Loan Agreement, and it does not by virtue of this Agreement waive any such rights or causes of action any owner may or would have under the Loan Agreement; provided, however, that the enforcement or attempted enforcement of any such rights or causes of action by the Guarantor shall not affect the unconditional nature of the guarantee under this Agreement which shall remain enforceable in accordance with its terms.

Section 4.5. Guarantor shall, to the extent of any payments made by it pursuant to its guarantee contained in this Agreement, be subrogated to all rights of the Issuer as to all rents and other payments and damages payable by any subsequent owner with respect to which such payments shall be made by Guarantor, and such right of subrogation on the part of Guarantor shall in all respects survive the retirement of all of the Bonds and the coupons appertaining thereto, if any.

Section 4.6. This Agreement constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof and may be executed simultaneously in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Section 4.7. The invalidity or unenforceability of any one or more phrases, sentences, clauses or Sections in this Agreement contained, shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part thereof.

Section 4.8. This Agreement may be amended to the same extent and upon the same conditons that the Indenture may be amended by a written agreement signed by the parties hereto, provided that in no event shall any amendment be made without the consent of the Guarantor.

Section 4.9. This Agreement shall be construed in accordance with and governed by the laws of the State of Indiana.

IN WITNESS WHEREOF, the Guarantor, pursuant to proper resolution duly passed, has caused this Agreement to be executed in its name and its corporate seal to be affixed hereto and attested by its duly authorized officers as of the date first above written.

COLLATERAL ASSIGNMENT OF LEASE AND RENTALS

COLLATERAL ASSIGNMENT OF LEASE AND RENTALS, dated as of November 1, 1980, by and between TAULBEE-BURKE JOINT VENTURE (collectively "Assignor"), and LINCOLN NATIONAL BANK AND TRUST COMPANY, a national banking association with its principal banking offices at Fort Wayne, Indiana, as Trustee ("Trustee"), pursuant to the Mortgage and Indenture dated as of the date hereof ("Indenture"), among the City of Fort Wayne ("Issuer"), Assignor and Trustee.

The Assignor and ADVANCED MACHINE & TOOL CORPORATION ("Lessee"), an Indiana corporation, have entered into a Lease Agreement dated as of the date hereof ("Lease"), providing for the leasing by the Assignor to the Lessee of certain real estate, and the improvements thereon ("Project").

The Assignor desires to finance a portion or all of the cost of the Project by borrowing from the Issuer, pursuant to the Loan Agreement dated as of the date hereof ("Loan Agreement") between the Issuer and the Assignor, the proceeds of economic development revenue bonds issued by the Issuer pursuant to the Indenture. Such borrowings (hereinafter collectively called the "Loan"), are to be evidenced by a promissory note of the Assignor (hereinafter called the "Note"), payable to the Issuer and endorsed thereby to the Trustee. The obligations of the Assignor arising under the Loan Agreement, the Note and this Assignment are hereinafter collectively called the "Liabilities."

NOW, THEREFORE, to induce the Issuer to enter into the Loan Agreement, and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Assignor agrees as follows:

1. As security for the payment and performance of the Liabilities, the Assignor hereby assigns, transfers and sets over unto the Trustee all the Assignor's right, title and interests, as lessor under the Lease, together with all rights, powers and privileges and other benefits of the Assignor, as lessor under the Lease, including without limitation, the immediate right to receive and collect all Basic Rentals payable to or receivable by the Assignor under or pursuant to the provisions of the Lease, and the right to make all waivers and agreement, to give all notices, consents and releases, to take all action upon the happening of a default under the Lease, and to do any and all other things whatsoever which the Assignor, as lessor, is or may become entitled to do under the Lease. In

furtherance of the foregoing Assignment, the Assignor hereby irrevocably authorizes and empowers the Trustee in its own name, or in the name of its nominee, or in the name of the Assignor, or as its attorney, to ask, demand, sue for, collect and receive any and all Basic Rentals to which the Trustee is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions of the Lease.

2. The Assignment made hereby is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Trustee to, or transfer or pass, or in any way affect or modify the liability of the Assignor under the Lease, it being understood and agreed that notwithstanding such Assignment, or any subsequent assignment, all obligations of the Assignor, to the Lessee under the Lease shall be and remain enforceable by the Lessee, its successors and assigns against, and only against, the Assignor.

3. The Assignor covenants and agrees that it will perform all of its obligations to be performed under the terms of the Lease, and hereby irrevocably authorizes and empowers the Trustee, in its own name or in the name of its nominee, or in the name of the Assignor as its attorney on the happening of any failure by the Assignor to perform, or cause to be performed, any such obligation, all at the Assignor's expense.

4. Upon the full discharge and satisfaction of the Liabilities, the Assignment made hereby and all rights herein assigned to the Trustee shall cease and terminate, and all estate, right, title and interest of the Trustee in and to the Lease shall revert to the Assignor.

5. The Assignor warrants and covenants that: (a) the execution and delivery by the Assignor of the Lease, the Loan Agreement, this Assignment, the Indenture, and the Note are (or, upon their execution and delivery in accordance with the Indenture, will be), and will remain, the valid and binding obligations of the Assignor in accordance with their terms; (b) the Assignor has not executed any other assignment of the Lease and its right to receive all payments of Basic Rental under the Lease is and will continue to be free and clear of any and all liens, agreements or encumbrances (except this Assignment), created or suffered by any act or omission on the part of the Assignor (other than any act or omission in respect of which the Lessee has assumed responsibility under the Lease), and the Assignor has received no advance Basic Rental payments under the Lease; (c) notwithstanding this Assignment, the Assignor will conform and comply with each and all of the covenants and conditions in the Lease set forth to be complied with by it;

and (d) to the knowledge of the Assignor, it has performed all obligations on its part to be performed under the Lease on or prior to the date hereof, and there has not occurred on or prior to the date hereof any default under the Lease.

6. The Assignor covenants and agrees with the Trustee that any suit, proceeding or action brought by the Trustee under the Lease for any installment of, or interest on, any Basic Rental payment or other sum owing thereunder, or to enforce any provisions of such Lease, the Assignor will save, indemnify and keep the Trustee harmless from and against all expense, loss or damage suffered by reason of any defense, set-off, counterclaim or recoupment whatsoever of the Lessee thereunder or its successors, arising out of a breach by the Assignor of any obligation under the Lease or arising out of any other indebtedness or liability at any time owing to the Lessee or its successors from the Assignor. Any and all such obligations of the Assignor shall be and remain enforceable against, and only against, the Assignor and shall not be enforceable against Trustee or any party or parties in whom any of the rights of the Assignor under the Lease shall vest by reason of the successive assignments or transfers.

7. The Assignor will, from time to time, execute all such financing statements and supplemental instruments reasonably requested by the Trustee in order to confirm or further assure the Assignment made hereby and the provisions hereof.

8. The Trustee may assign all or any of its rights under the Lease, including the right to receive any payments of Basic Rental due or to become due to it from the Lessee thereunder. ECONOMIC DEVELOPMENT FIRST MORTGAGE
REVENUE BOND, SERIES 1980
(TAULBEE-BURKE JOINT VENTURE PROJECT)

The City of Fort Wayne, a municipal corporation organized and existing under the laws of the State of

Indiana ("Issuer"), for value received, promises to pay from the source and as hereinafter provided to _____ or registered assigns, the aggregate principal sum of Eight Hundred Thousand Dollars ($800,000) in one hundred nineteen (119) monthly installments of $6,666.67 commencing on March 1, 1981, and on the first day of each calendar month thereafter, and with a final installment of $6,666.27 on February 1, 1991, together with interest thereon (calculated on the basis of a 360-day year of twelve 30-day months) from the date hereof at the rate of sixty-five percent (65%) per annum of the prime commercial lending rate prevailing at the Lincoln National Bank and Trust Company of Fort Wayne at its principal office on the first day of the preceding month until said principal sum is paid. Interest on this Series 1980 Bond shall be payable monthly commencing on February 1, 1981, and on the first day of each calendar month thereafter to and including February 1, 1991, except as the provisions hereinafter set forth with respect to prepayment prior to maturity may become applicable hereto. This Series 1980 Bond is one of an authorized issue of Economic Development First Mortgage Revenue Bonds, Series 1980 (Taulbee-Burke Joint Venture Project) ("Series 1980 Bonds") issued pursuant to a Mortgage and Indenture of Trust dated as of November 1, 1980 (which document as from time to time amended and

supplemented, is hereinafter referred to as the "Indenture"), in aggregate principal amount of $800,000 issued for the purpose of financing certain economic development facilities ("Project"), near the City of Fort Wayne, Indiana in Allen County, Indiana, for Taulbee-Burke Joint Venture, an Indiana general partnership ("Company"), and paying necessary expenses incidental thereto so as to promote diversification of economic development and job opportunities in and near the City of Fort Wayne, Indiana. The proceeds of the Series 1980 Bonds will be loaned by Issuer to Company ("Loan") under the terms of a Loan Agreement for the Project dated as of November 1, 1980 (which agreement as from time to time amended and supplemented is hereinafter referred to as the "Agreement"), and Company has issued a Series 1980 Promissory Note dated as of November 1, 1980, ("Series 1980 Note") as security for its obligation to repay the Loan. The Series 1980 Bonds are all issued under and are equally and ratably secured by and entitled to the protection of the Indenture, duly executed and delivered by Issuer and Company to Trustee, which Indenture is recorded in the office of the Recorder of Allen County, Indiana.

Reference is made to the Indenture for a description of the property mortgaged, and interests pledged and assigned, the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of Issuer, Company, Trustee and the holders of the Series 1980 Bonds and terms upon which the Series 1980 Bonds are issued and secured and the terms and conditions upon which the Series 1980 Bonds will be deemed to be paid at or prior to maturity or redemption of the Series 1980 Bonds, upon the making of provision for the payment thereof in the manner set forth in the Indenture, and to all the provisions of which the holder hereof by the acceptance of this Series 1980 Bond assents.

The Series 1980 Bonds are issuable in the form of registered Series 1980 Bonds without coupons in the denomination of $5,000 or any multiple thereof.

This Series 1980 Bond is transferable by the registered holder hereof in person or by his attorney duly authorized in writing at the principal office of the Trustee in the City of Fort Wayne, Indiana, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture,

and upon surrender of this Series 1980 Bond. Upon such transfer a new registered Series 1980 Bond or Bonds without coupons of authorized denomination or denominations, for the same aggregate principal amount will be issued to the transferee in exchange therefor. The Issuer, the Trustee and any agent of the Issuer may deem and treat the registered holder hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and premium, if any, hereon and interest due hereon and for all other purposes and neither the Issuer, the Trustee nor any agent of the Issuer shall be affected by any notice to the contrary.

If called for redemption on or after November 1, 1980, the Series 1980 Bonds shall be subject to redemption by Issuer on any principal and interest payment date as provided in the Agreement. The Series 1980 Bonds may be called in whole or in part (if in part, to be applied against the last installments of principal) at the redemption price of 100% of the outstanding principal amount plus accrued interest to the redemption date, except that if redeemed prior to November 1, 1983 with funds derived by issuing new partnership debt, at the redemption price of 101% of the outstanding principal amount plus accrued interest to the redemption date.

If funds are deposited in the Bond Fund for redemption of Bonds pursuant to Sections 2.2(k), 3.6, 4.10, 4.11 or 5.2 of the Agreement, the Bonds shall be subject to redemption by Issuer on any interest payment date, in whole or in part (in inverse order of maturities and by lot within maturities in such manner as Trustee may determine), at 100% of the principal amount thereof plus accrued interest to the redemption date.

In the event any of the Bonds are called for redemption as aforesaid, notice thereof identifying the Bonds or portions thereof to be redeemed will be given by Trustee by publication at least twice in a newspaper or financial journal of general circulation published in the City of Fort Wayne, Indiana, the first of which shall be published not less than thirty days prior to the redemption date, and in the case of the redemption of Bonds at the time registered as to principal (except to bearer) upon mailing a copy of the redemption notice by registered or certified mail at least thirty days prior to the date fixed for

redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books; provided, however, that failure to give such notice by mailing or any defect therein, shall not affect the validity of any proceeding for the redemption of Bonds. If all of the Bonds to be redeemed are at that time registered as to principal (except to bearer), notice by mailing given by registered or certified mail to the owner or owners thereof not less than thirty days prior to the date fixed for redemption shall be sufficient and published notice of the call for redemption need not be given; provided, however, that failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceeding for the redemption of any Bond with respect to which no such failure has occurred. All Bonds so called for redemption will cease to bear interest after the specified redemption date provided funds for their redemption are on deposit at the place of payment at that time. If, because of the temporary or permanent suspension of the publication or general circulation of any newspaper or financial journal or for any other reason, it is impossible or impractical to publish such notice of call for redemption in the manner herein provided, then such publication in lieu thereof as shall be determined by Trustee shall constitute a sufficient publication of notice.

The Series 1980 Bonds are issued pursuant to and in full compliance with the constitution and laws of the State of Indiana, particularly the Indiana Code, Title 18, Article 6, Chapter 4.5 and pursuant to an ordinance adopted by Issuer which ordinance authorizes the execution and delivery of the Agreement and the Indenture. This Series 1980 Bond and the issue of which it forms a part are limited obligations of Issuer and are payable solely out of the revenues and other amounts derived from the Series 1980 Note and the Agreement. Neither the State of Indiana, nor Issuer, nor any political subdivision shall be obligated to pay the principal of the Series 1980 Bonds or the interest thereon or other costs incident thereto except from the revenues and money pledged therefor. Neither the faith and credit nor the taxing power of the State of Indiana or any political subdivision thereof is pledged to the payment of the principal of the Series 1980 Bonds and the interest thereon or other costs incident thereto. Payments sufficient for the prompt payment when due of the principal of,

premium, if any, and interest on the Series 1980 Bonds are to be paid to Trustee for the account of Issuer and deposited in a special account created by Issuer and designated "City of Fort Wayne, Indiana, Economic Development Revenue Bond Fund (Taulbee-Burke Joint Venture Project)", and have been duly pledged and assigned for that purpose, and in addition the rights of Issuer under the Agreement and the Series 1980 Note have been assigned to Trustee to secure payment of such principal, premium, if any, and interest under the Indenture. However, no covenant or agreement contained in the Bonds or the Indenture shall be deemed to be a covenant or agreement of any member of the Fort Wayne Economic Development Commission ("Commission") or of the legislative body of the Issuer or of any officer or employee of the Issuer or its legislative body in his or her individual capacity, and neither the members of the Commission or the legislative body of the Issuer nor any officer or employee of the Issuer executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

The holder of this Series 1980 Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture. In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all of the Series 1980 Bonds issued under the Indenture and then outstanding may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon. The Indenture prescribes the manner in which it may be discharged, including a provision that the Series 1980 Bonds shall be deemed to be paid if Governmental Obligations, as defined therein, maturing as to principal and interest in such amounts and at such times as will provide sufficient funds to pay the principal of, premium, if any, and interest on the Series 1980 Bonds and all fees and expenses of Trustee and any paying agent, and all other liabilities of Company under the Agreement, shall have been deposited with Trustee, after which the Series 1980 Bonds shall no longer be secured by or entitled to the benefits of

the Indenture, except for the purposes of registration and exchange of Series 1980 Bonds and of any such payment from such Governmental Obligations.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of Company and Issuer and the rights of holders of the Bonds of all series at any time by Issuer with the consent of Company and the holders of two-thirds in aggregate principal amount of the Bonds of all series at the time outstanding, as defined in the Indenture. Any such consent or waiver by the holder of this Series 1980 Bond shall be conclusive and binding upon such holder and upon all future holders of this Series 1980 Bond and of any Series 1980 Bond issued upon the transfer or exchange of this Series 1980 Bond whether or not notation of such consent or waiver is made upon this Series 1980 Bond. The Indenture also contains provisions permitting Trustee to waive certain past defaults under the Indenture and their consequences.

It is hereby certified, recited and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the execution and delivery of the Indenture and the issuance of this Series 1980 Bond do exist, have happened and have been performed in due time, form and manner as required by law; that the issuance of this Series 1980 Bond and the issue of which it forms a part, together with all other obligations of Issuer, do not exceed or violate any constitutional or statutory limitation; and that the revenues pledged to the payment of the principal of, premium, if any, and interest on this Series 1980 Bond and the issue of which it forms a part, as the same become due, will be sufficient in amount for that purpose.

This Series 1980 Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been signed by Trustee.

IN WITNESS WHEREOF, the City of Fort Wayne, Indiana, has caused this Series 1980 Bond to be executed in its name by the manual or facsimile signature of the Mayor and its corporate seal to be hereunto

impressed or imprinted hereon and attested by the manual or facsimile signature of its Clerk, all as of November 1, 1980.

THE BONDS

Section 2.01. Authorized Amount of Series 1980 Bonds. No Bonds may be issued under the provisions of the Indenture except in accordance with this Article. The total principal amount of Series 1980 Bonds that may be issued is hereby expressly limited to $800,000, except as provided in Section 2.07.

Section 2.02. Issuance of Bonds; Denomination; Numbers. Any Bonds issued pursuant to the Indenture shall be issued as registered Bonds without coupons.

Registered Series 1980 Bonds without coupons issued on or subsequent to the first interest payment date thereon shall be dated as of the date one (1) month preceding the interest payment date next following the date of authentication and delivery thereof, unless such date of authentication and delivery shall be an interest payment date, in which case they shall be dated as of such date of authentication and delivery; provided, however, that if, as shown by the records of the Trustee, interest on the Series 1980 Bonds shall be in default, registered Bonds without coupons issued in exchange for Series 1980 Bonds surrendered for transfer or exchange shall be dated as of the date to which interest has been paid in full on the Series 1980 Bonds surrendered.

Registered Bonds without coupons shall be issued in the denomination of $5,000 or a multiple thereof and shall be numbered from R-1 consecutively upwards.

The principal of, interest and premium, if any, on the Bonds shall be payable at the principal office of the Trustee, except that the interest on registered Bonds without coupons shall be payable by check or draft drawn upon the Trustee mailed to the address of the holder thereof as it appears in the Bond Register, as herein defined.

Section 2.03. Execution; Limited Obligations. The Bonds shall be executed on behalf of Issuer with the manual or facsimile signature of the Mayor, and shall have affixed, impressed, imprinted or otherwise reproduced thereon the corporate seal of Issuer or a facsimile thereof and attested by the manual or facsimile signature of its Clerk. All authorized facsimile signatures shall have the same force and effect as if manually signed. The Bonds, together with interest thereon, are not general obligations of Issuer but are limited obligations payable solely from the revenues and other amounts

derived from the Note or Notes and Agreement (except to the extent paid out of moneys attributable to the proceeds derived from the sale of the Bonds or to income from the temporary investment thereof and, under certain circumstances, to proceeds from insurance and condemnation awards) and shall be a valid claim of the respective holders thereof only against the Bond Fund and other moneys held by Trustee and the revenues and other amounts derived from the Note or Notes and Agreement, (but in addition shall be secured by a mortgage lien on the Project) which revenues and other amounts are hereby pledged, assigned and otherwise secured for the equal and ratable payment of the Bonds and shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Bonds, except as may be otherwise expressly authorized in this Indenture. Neither the State of Indiana, Issuer or any other political subdivision of such State shall be obligated to pay the principal of such Bonds or the interest thereon or other costs incident thereto except from the revenues and money pledged therefor. Neither the faith and credit nor the taxing power of the State of Indiana, Issuer or any political subdivision is pledged to the payment of the principal of such Bonds or the interest thereon or other costs incident thereto. In case any official of Issuer whose signature or facsimile of whose signature shall appear on the Bonds shall cease to be such official before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery.

Section 2.04. Authentication. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Indenture unless and until a certificate of authentication on such Bond substantially in the form hereinabove shall have been duly executed by Trustee, and such executed certificate of Trustee upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture. Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of Trustee, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 2.05. Forms of Series 1980 Bonds. The Series 1980 Bonds in registered form shall be substantially in the form hereinabove set forth with such variations, omissions and insertions as are permitted or required by this Indenture.

Section 2.06. Issuance and Delivery of Series 1980 Bonds. The Series 1980 Bonds shall be designated "City of Fort Wayne Economic Development First Mortgage Revenue Bonds, Series 1980 (Taulbee-Burke Joint Venture Project)", shall, except as otherwise provided in Section 2.02, be dated November 1, 1980. Bond R-1 shall be issued initially in the denomination of $800,000 and shall be payable in one hundred nineteen (119) monthly installments of $6,666.67, commencing on March 1, 1981 and on the first day of each month thereafter and with a final installment of $6,666.27 on February 1, 1991. Bond R-1 shall bear interest at the rate per annum of sixty-five percent (65%) of the prime commercial lending rate prevailing at the Lincoln National Bank and Trust Company of Fort Wayne at its principal office on the first day of the preceding month. Interest shall be payable monthly commencing on February 1, 1981, and on the first day of each calendar month thereafter to and including February 1, 1991.

I. A "Determination of Taxability" with respect to the Series 1980 Bonds means the enactment of legislation or the adoption of regulations or any decision, ruling or technical advice by any federal, judicial or administrative authority which has the effect of requiring interest on the Series 1980 Bonds to be included in the gross income of the Bondholders of such Series 1980 Bonds for Federal income tax purposes (other than because a Bondholder or a related person thereof is a substantial user of the Project within the meaning of the Internal Revenue Code of 1954, as amended (the "Code")).

II. If at any time it is determined that any interest payments paid or accrued to any holder of the Series 1980 Bonds prior to the date of any Determination of Taxability, are includable in such holder's gross income for Federal income tax purposes, other than by reason of such holder being a substantial user of the Project within the meaning of Section 103(b)(9) (or any successor provision) of the Code, or a "related person," as defined in Section 103(b)(6)(c) (or any successor provision) of the Code then the Issuer shall pay, but only from such funds as are provided by the Company, and Company shall furnish to Issuer for payment to each holder of the Series 1980 Bonds the following amounts:

(i) an amount equal to the difference between (A) the interest that would have been payable had such interest payments been calculated at the Taxable Rate (as defined in the Agreement) and (B) the actual amount of such interest payments, plus

(ii) the amount of penalties, addition to tax, exclusive of any taxes imposed under Section 11 (or any successor provision) of the Code, or interest assessed against such holder on account of the inclusion of such interest payments in such holder's gross income for Federal income tax purposes ("Additions to Tax") that are deductible by such holder for Federal income tax purposes, plus

(iii) an amount, which after the deduction of all Federal, state or local taxes required to be paid by such holder in respect of the receipt thereof (calculated at the maximum statutory rates applicable to such holder) minus any tax benefit derived therefrom, shall be equal to the amount of any Additions to Tax that are not deductible by such holder for Federal income tax purposes.

III. If the Issuer shall have made any payments to any holder by reason of subsections I and II hereof and if such holder shall successfully claim for the taxable year in question that all or any part of the interest on the Series 1980 Bonds for such taxable year is excluded from any holder's gross income for Federal income tax purposes (for this purpose a claim shall be successful only upon expiration of the statute of limitations provided by Section 6501 or any successor provision of the Code with respect to such taxable year), then any holder shall pay to the Issuer for repayment to the Company an amount equal to all or a comparable part of such payment with respect to such taxable year in question made by the Issuer with funds provided by the Company plus interest accrued thereon at a rate of eight percent (8%) per annum from the date such amounts were paid to the holder or holders thereof.

IV. If a Determination of Taxability shall have occurred pursuant to section I above, the rate of interest on the Bonds shall immediately become the Taxable Rate.

The Series 1980 Bonds shall be issued in the form of registered Bonds without coupons.

Upon the execution and delivery of this Indenture, Issuer shall execute and deliver to Trustee and Trustee shall authenticate the Series 1980 Bonds and deliver them to the purchasers as directed by Issuer as hereinafter in this Section provided.

Prior to the delivery by Trustee of any of the Series 1980 Bonds there shall be filed with Trustee:

1. A copy, duly certified by the Clerk of Issuer, of the ordinance adopted by Issuer, authorizing the issuance of the Series 1980 Bonds and the execution and delivery of this Indenture and the Agreement.

2. A copy of the resolutions adopted by Company, authorizing the execution and delivery of this Indenture, the Agreement and the Series 1980 Note or Notes.

3. Original executed counterparts of the Agreement, this Indenture and the originally executed Series 1980 Note or Notes.

4. Title insurance or a binder for such title insurance in the form of an ALTA owner-mortgagee title policy in the face amount of $800,000 or 100 percent of the cost of the real estate and improvements, whichever is less, reflecting a proper first mortgage lien, issued by a company duly authorized to issue same or copy of same.

5. The written opinion of counsel for Company expressing the conclusion that, in reliance upon said title insurance policy and a certificate of a partner of Company with respect to the proposed location of the Building and the operations to be conducted on the Project Site, Company has good and marketable title to the Building and Project Site (subject to Permitted Encumbrances).

6. A request and authorization to Trustee on behalf of Issuer and signed by the Clerk of Issuer to authenticate and deliver the Series 1980 Bonds to the purchasers therein identified upon payment to Trustee, but for the account of Issuer, of a sum specified in such request and authorization plus accrued interest thereon to the date of delivery. The proceeds of such payment shall be paid over to Trustee and deposited in the Bond Fund and the Construction Fund pursuant to Article V hereof.

7. The written opinion of counsel for the Issuer expressing the conclusion that the execution, filing and recordation of this Indenture has been duly accomplished.

8. The written opinion of Ice Miller Donadio & Ryan, as Bond Counsel, that the Series 1980 Bonds are validly issued and binding obligations and that interest on the Bonds is exempt from Indiana state and federal income tax under existing law, except as the Bonds may be held by a "substantial user" of the facilities as that term is defined by applicable federal law.

Section 2.07. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, Issuer may execute and Trustee may authenticate a new Bond of like series, date, maturity and denomination as that mutilated, lost, stolen or destroyed (which new Bond shall have attached thereto coupons corresponding in all respects to those, if any, on the Bonds mutilated, lost, stolen or destroyed); provided that, in the case of any mutilated Bond, such mutilated Bond together with all coupons appertaining thereto, if any, shall first be surrendered to Issuer, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to Issuer and Trustee evidence of such loss, theft or destruction satisfactory to Issuer and Trustee, together with any indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a duplicate Bond, Issuer may pay the same without surrender thereof. Issuer and Trustee may charge the holder or owner of such Bond with their reasonable fees and expenses in this connection.

Section 2.08. Registration of Bonds; Persons Treated as Owners. So long as any of the Bonds shall remain outstanding, the Trustee shall keep a register for the registration and transfer of Bonds (herein referred to as the "Bond Register").

Each registered Bond without coupons shall be transferable only on the Bond Register at the principal office of the Trustee, at the written request of the registered owner thereof or his attorney duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney.

The Issuer, the Trustee and any agent of the Issuer may treat the person in whose name any registered Bond, is registered as the owner of such Bond for the purpose of receiving payment of principal of, and interest on such Bond and for all other purposes whatsoever whether or not such Bond is overdue, and neither the Issuer, the Trustee nor any agent of the Issuer shall be affected by notice to the contrary.

Section 2.09. Exchange; Transfer. Registered Bonds without coupons, upon surrender thereof at the principal office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his duly authorized attorney, may at the option of the holder thereof, be exchanged for an equal aggregate principal amount of registered Bonds without coupons of the same series, maturity and interest rate of any other authorized denominations.

In all cases in which the privilege of exchanging Bonds or transferring registered Bonds without coupons is exercised, the Issuer shall execute and the Trustee shall deliver Bonds in accordance with the provisions of the Indenture. For every exchange or transfer of Bonds the Issuer or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. Notwithstanding any other provision of this Indenture, the cost of preparing each new coupon Bond or registered Bond without coupons upon each exchange or transfer, and any other expenses of the Issuer or the Trustee incurred in connection therewith (except any applicable tax, fee or other governmental charge) shall be paid by the Company pursuant to the Agreement. The Trustee shall not be obliged to make any such exchange or transfer of Bonds during the 15 days next preceding an interest payment date on the Bonds. The Trustee shall not be obliged to make any transfer or exchange of any Bonds called for redemption within 60 days of the redemption date.

Section 2.10. Destruction of Bonds. Whenever any outstanding Bond shall be delivered to Trustee for cancellation pursuant to this Indenture, upon payment of the principal amount or interest represented thereby, or for replacement pursuant to Section 2.07, such Bond shall be promptly cancelled and cremated or otherwise destroyed by Trustee and counterparts of a certificate of destruction evidencing such cremation or other destruction shall be furnished by Trustee to Issuer and Company.

Section 2.11. Priority Over Other Liens. This Indenture is given in order to secure funds to pay for new construction and by reason thereof it is intended that this Indenture shall be superior to any laborers', mechanics', or materialmens' liens which may be placed on the Project.

ARTICLE III

REDEMPTION OF BONDS BEFORE MATURITY

Section 3.01. Redemption Dates and Prices. The Series 1980 Bonds may be called for redemption prior to November 1, 1980, as provided in the Agreement. If called for redemption on or after November 1, 1980, the Series 1980 Bonds shall be subject to redemption by Issuer on any principal and interest payment date as provided in the Agreement. The Series 1980 Bonds may be called in whole or in part (if in part, to be applied against the last installments of principal) at the redemption price of 100% of the outstanding principal amount plus accrued interest to the redemption date, except that if redeemed prior to November 1, 1983 with funds derived by issuing new partnership debt, at the redemption price of 101% of the outstanding principal amount plus accrued interest to the redemption date.

If funds are deposited in the Bond Fund for redemption of Bonds pursuant to Sections 2.2(k), 3.6, 4.10, 4.11 or 5.2 of the Agreement, the Bonds shall be subject to redemption by Issuer on any interest payment date, in whole or in part (in inverse order of maturities and by lot within maturities in such manner as Trustee may determine), at 100% of the principal amount thereof plus accrued interest to the redemption date.

Section 3.02. Notice of Redemption. Notice of the call for any redemption identifying the Bonds to be redeemed, shall be given by Trustee by publication at least twice in a newspaper or financial journal of general circulation published in the City of Fort Wayne, Indiana, the first of which shall be published not less than thirty days prior to the redemption date, and in the case of the redemption of Bonds registered as to principal (except to bearer), upon mailing a copy of the redemption notice at least thirty days prior to the date fixed for redemption to the Registered Owner of each Bond to be redeemed at the address shown on the registration books; provided, however, that failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings for the redemption of Bonds. If all of the Bonds to be redeemed are at that time registered as to principal (except to bearer), such notice shall be by mailing only in the manner specified by the preceding sentence, which notice shall be sufficient and published notice of the call for redemption need not be given; provided, however, that failure to give such notice by mailing, or any defect therein, shall not affect the validity of the proceedings for the redemption of any Bond with respect to which no such failure has occurred.

Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Registered Owner receives the notice.

If, because of the temporary or permanent suspension of the publication or general circulation of any newspaper or financial journal or for any other reason, it is impossible or impractical to publish such notice of call for redemption in the manner herein provided, then such publication in lieu thereof as shall be determined by Trustee shall constitute a sufficient publication of notice.

Section 3.03. Redemption Payments. Prior to the date fixed for redemption, funds shall be deposited with Trustee to pay, and Trustee is hereby authorized and directed to apply such funds to the payment of the Bonds or portions thereof called, together with accrued interest thereon to the redemption date and any required premium. Upon the giving of notice and the deposit of funds for redemption, interest on the Bonds or portions thereof thus called shall no longer accrue after the date fixed for redemption. No payment shall be made by Trustee upon any Bond or portion thereof called for redemption until such Bond shall have been delivered for payment or cancellation or Trustee shall have received the items required by Section 2.07 hereof with respect to any mutilated, lost, stolen or destroyed Bond.

Section 3.04. Cancellation. All Bonds which have been redeemed shall not be reissued but shall be cancelled and cremated or otherwise destroyed by Trustee in accordance with Section 2.10 hereof.

Section 3.05. Partial Redemption of Bonds. If less than all of the Bonds at the time outstanding are to be called for redemption, the particular Bonds or portions thereof to be redeemed shall be selected by lot (meaning also random selection by computer) by the Trustee in such manner as the Trustee, in its discretion, may determine. The Trustee shall call for redemption in accordance with the foregoing provisions as many Bonds or portions thereof as will, as nearly as practicable, exhaust the moneys available therefor. Particular Bonds or portions thereof shall be redeemed only in the principal amount of $5,000 each.

If less than the entire principal amount of any registered Bond without coupons then outstanding is called for redemption, then upon notice of redemption given as provided in Section 3.02 hereof, the owner of such registered Bond without coupons shall forthwith surrender such Bond to the Trustee in exchange

for (a) payment of the redemption price of, plus accrued interest on, the principal amount called for redemption and (b) a new Bond or Bonds of like series in an aggregate principal amount equal to the unredeemed balance of the principal amount of such registered Bond without coupons, which shall be issued without charge therefor.

Issuer covenants and agrees that, except as herein and in the Agreement provided, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the revenues and receipts payable under the Note or Notes and Agreement or its rights under the Agreement.

Company covenants that it lawfully owns the Project Site, and that it has good and marketable title and estate thereto, except for Permitted Encumbrances. Company covenants that it will lawfully acquire and own any machinery, equipment, personal property and related property defined as Project Equipment, and that any machinery, equipment, personal property and related property becoming Project Equipment shall be acquired and kept free of all liens and encumbrances, except Permitted Encumbrances. Company further covenants that it will defend the title to the Project and each part thereof to the Trustee, for the benefit of the holders and owners of the Bonds and the bearers of the coupons appertaining thereto, if any, against the claims and demands of all persons whomsoever, subject to Permitted Encumbrances.

Company covenants that it will do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, such indentures or indentures supplemental hereto and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, conveying, mortgaging, pledging, assigning and confirming unto the Trustee all and singular the property herein described and mortgaged hereby and the rights assigned hereby. Company

further covenants and agrees that, except as herein and in the Agreement provided, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the Project.

To said list Trustee shall add the names and addresses of the holders of all Bonds which may from time to time be registered as to principal or fully registered on the registration books of Trustee as Bond Registrar, with the numbers of such Bonds. Trustee shall be under no responsibility with regard to the accuracy of said list. At reasonable times and under reasonable regulations established by Trustee, said list may be inspected and copied by Company or by holders (or a designated representative thereof) of 15 percent or more in principal amount of Bonds then outstanding, such possession or ownership and the authority of such designated representative to be evidenced to the satisfaction of Trustee.

Section 4.05. Rights Under Agreement and Note. The Agreement, a duly executed counterpart of which has been filed with Trustee, and the Series 1980 Note or Notes, delivered to Trustee, set forth the covenants and obligations of Issuer and Company, including provisions that subsequent to the issuance of the Series 1980 Bonds and prior to their payment in full or provision for payment thereof in accordance with the provisions hereof the Agreement and the Series 1980 Note or Notes may not be effectively amended, changed, modified, altered or terminated without the written consent of Trustee, and reference is hereby made to the same for a detailed statement of said covenants and obligations of Company thereunder, and Issuer agrees that Trustee in its name may enforce all rights of Issuer and all obligations of Company under and pursuant to the Agreement or Note or Notes for and on behalf of the Bondholders, whether or not Issuer is in default hereunder.

Section 4.06. Non-assignment of Notes. Pursuant to the Agreement, Issuer has assigned the Series 1980 Note or Notes to the Trustee. The Trustee represents that the Series 1980 Note or Notes are being purchased for the purpose of investment and not with view to the distribution or resale thereof. Issuer and Trustee understand that the Series 1980 Note or Notes have not been registered under the Securities Act of 1933, as amended, and must be held by Issuer and Trustee indefinitely

unless the Series 1980 Note or Notes are subsequently registered under the Securities Act of 1933, as amended, or an exemption from such registration upon resale by Issuer or Trustee is available. Issuer and Trustee further understand and agree that the Company has no obligation to so register the Series 1980 Note or Notes or effect compliance with Regulation A or any other exemption under the Securities Act of 1933, as amended. Issuer and Trustee further understand and agree that since the Company is not subject to the reporting requirements of the Securities Exchange Act of 1934, as amended, and does not intend to make "publicly available" the information referred to under Rule 15c 2-11 under the Securities Exchange Act of 1934, as amended, it is unlikely that Issuer or Trustee will be able to make public resale of the Series 1980 Note or Notes.

REVENUES AND FUNDS

Section 5.01. Source of Payment of Bonds. The Bonds herein authorized and all payments by Issuer hereunder are not general obligations of Issuer but are limited obligations payable solely from revenues and receipts derived from the Note or Notes and Agreement and as authorized by the Act and provided herein.

The payments provided in the Note or Notes and in Section 4.1 of the Agreement are to be remitted directly to Trustee for the account of Issuer and deposited in the Bond Fund. Such payments, sufficient in amount to insure the prompt payment of the principal of, premium, if any, and interest on the Bonds, are pledged to such payment.

Section 5.02. Creation of Bond Fund. There is hereby created by Issuer and ordered established with Trustee a trust fund to be designated "City of Fort Wayne, Indiana, Economic Development Revenue Bond Fund (Taulbee-Burke Joint Venture Project)", which shall be used to pay the principal of, premium, if any, and interest on the Bonds and for purposes as may be otherwise expressly authorized in this Indenture.

Section 5.03. Payments into Bond Fund. There shall be deposited in the Bond Fund all accrued interest received at the time of the issuance and delivery of the Bonds or any Additional Bonds. In addition, there shall be deposited in the Bond Fund, as and when received, (a) any amount in the Construction Fund directed to be paid into a special escrow account within the Bond Fund under Section 3.6 of the Agreement; (b) all payments received pursuant to the Note or Notes; (c) all payments specified in Section 4.1 of the Agreement; and (d) all other moneys received by Trustee under and pursuant to any of the provisions of the Agreement which are required or which are accompanied by directions that such moneys are to be paid into the Bond Fund. Issuer hereby covenants and agrees that so long as any of the Bonds issued hereunder are outstanding it will deposit, or cause to be paid to Trustee for deposit in the Bond Fund for its account, sufficient sums from revenues and receipts derived from the Note or Notes and Agreement, promptly to meet and pay the principal of, premium, if any, and interest on the Bonds as the same become due and payable. Nothing herein should be construed as requiring Issuer to deposit or cause to be paid to Trustee for deposit in the Bond Fund, funds from any source other than receipts derived from the Note or Notes and Agreement.

Any moneys deposited in the Bond Fund pursuant to Sections 2.2(k), 3.6, 4.10, 4.11 or 5.2 of the Agreement shall be held by the Trustee in a special account of the Bond Fund. Such moneys shall be invested by the Trustee until used for redemption of Bonds pursuant to Section 3.01 hereof in a manner and at a rate of return which does not cause the Bonds to become taxable.

Section 5.04. Use of Moneys in Bond Fund. Except as provided in Section 5.11 hereof, moneys in the Bond Fund shall be used solely for the payment of the principal of, premium, if any, and interest on the Bonds (including any additional interest required by Section 2.06 hereof), for the redemption of the Bonds prior to maturity, for the purchase of Bonds in the open market for purposes of cancellation, for the reasonable and necessary fees and expenses of the Trustee or any paying agent, and for any fees and expenses of Issuer and the Commission caused by any default of Company pursuant to Article VIII of the Agreement.

Any moneys set aside at the direction of the Company for payments of principal or interest on any Series 1980 Bond and the amount of which has been applied as a credit against the Company's obligation to pay the Series 1980 Note or Notes pursuant to Section 4.1 of the Agreement, shall not be used for any other purpose.

Whenever the amount in the Bond Fund from any source whatsoever is sufficient to redeem all of the Bonds then unpaid and to pay the premium, if any, and interest to accrue thereon prior to such redemption, Trustee covenants and agrees to take and cause to be taken the necessary steps to redeem all of said Bonds on the earliest possible redemption date for which the required redemption notice may be given. However, any moneys in the Bond Fund may be used to redeem a part of the Bonds outstanding so long as Company is not in default with respect to any payments under the Note or Notes or Section 4.1 of the Agreement, but only to the extent said moneys are in excess of the amount required for payment of the Bonds theretofore called for redemption, the premium thereon, if any, and past due interest in all cases when such Bonds or coupons appertaining thereto, if any, have not been presented for payment.

Section 5.05. Custody of Bond Fund. The Bond Fund shall be in the custody of Trustee but in the name of Issuer, and Issuer hereby authorizes and directs Trustee to withdraw sufficient funds from the Bond Fund to pay the principal of, premium, if any, and interest on the Bonds as the same become

due and payable, and to disburse for purposes as may be otherwise expressly authorized in this Indenture, which authorization and direction Trustee hereby accepts.

Section 5.06. Creation of Construction Fund. There is hereby created and established with Trustee a trust fund in the name of Issuer to be designated "City of Fort Wayne, Indiana, Economic Development Revenue Bond Construction Fund (Taulbee-Burke Joint Venture Project)", which shall be expended in accordance with the provisions of the Agreement.

Section 5.07. Payments Into Construction Fund; Disbursements. The proceeds of the issuance and delivery of the Bonds shall be deposited in the Construction Fund, excluding accrued interest, which shall be deposited in the Bond Fund.

Trustee is hereby authorized and directed to make each disbursement required by the provisions of the Agreement. Trustee shall keep and maintain adequate records pertaining to the Construction Fund and all disbursements therefrom, and after the Project has been completed and a certificate of payment of all costs is or has been filed as provided in Section 5.08 hereof, Trustee shall file an accounting thereof with Issuer and Company.

Section 5.08. Completion of Project. The completion of the Project and payment or provisions made for payment of all Costs of Construction shall be evidenced by the filing with Trustee and Issuer of the certificate required by the provisions of Section 3.6 of the Agreement. As soon as practicable and in any event not more than sixty days from the date of the certificate referred to in the preceding sentence any balance remaining in the Construction Fund (except amounts Company shall have directed Trustee to retain for any Costs of Construction not then due and payable or subject to contest by the Company) shall without further authorization be deposited in the Bond Fund by Trustee.

Section 5.09. Non-presentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, if funds sufficient to pay any such Bond shall have been made available to Trustee for the benefit of the holder or holders thereof, all liability of Issuer to the holder thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of Trustee to hold such funds for five (5) years without liability for interest thereon, for the benefit of the holder of such Bond, who shall thereafter be

restricted exclusively to such funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Trustee not so applied to the payment of Bonds within five (5) years after the date on which the same shall become due shall be repaid by Trustee to Company and thereafter Bondholders shall be entitled to look only to Company for payment, and then only to the extent of the amount so repaid, and Company shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 5.10. Moneys to be Held in Trust. All moneys required to be deposited with or paid to Trustee for account of the Bond Fund or the Construction Fund under any provision of this Indenture shall be held by Trustee in trust, and except for moneys deposited with or paid to Trustee for the redemption of Bonds, notice of the redemption of which has been duly given, while held by Trustee, shall constitute part of the Trust Estate and be subject to the lien or security interest created hereby.

Section 5.11. Repayment to Company from Bond Fund. Any amounts remaining in the Bond Fund after payment in full of the Bonds, the fees, charges and expenses of Trustee and all other amounts required to be paid hereunder shall be paid to Company upon the expiration or sooner termination of the term of the Agreement.

Section 5.12. Condemnation and Insurance Proceeds. The Net Proceeds of condemnation awards or insurance paid to the Trustee pursuant to provisions of Section 5.2 of the Agreement shall be deposited in a separate trust account subject to the lien hereof and shall constitute part of the Trust Estate and shall be paid out in accordance with the terms and conditions of Section 5.2 of the Agreement.

ARTICLE VI

INVESTMENT OF MONEYS

Any moneys held as part of the Construction Fund or the Bond Fund shall be invested and reinvested by Trustee in accordance with the provisions of Section 3.8 of the Agreement. Any such investments shall be held by or under the control of Trustee and shall be deemed at all times a part of the fund for which they were made. The interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any loss resulting from such investments shall be charged to such fund. Trustee shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in the Construction Fund is insufficient to pay a requisition when presented or whenever the cash balance in the Bond Fund is insufficient to pay the principal of, premium, if any, and interest on the Bonds when due.

Issuer, in reliance on Company's covenants in Section 3.9 of the Agreement, and Trustee covenant and certify to each other and to and for the benefit of the purchasers of the Bonds that no use will be made of the proceeds from the issue and sale of the Bonds which would have caused the Bonds to be classified as arbitrage bonds within the meaning of Section 103(c)(2) of the Internal Revenue Code of 1954, as amended. Pursuant to such covenant, Issuer and Trustee each obligates itself throughout the term of the issue of the Bonds not to violate the requirements of Section 103(c) of the Internal Revenue Code of 1954, as amended, and any regulations promulgated thereunder.

It is hereby found, determined and declared that the proceeds of the sale of the Bonds shall be used as provided herein with due diligence towards the acquisition and construction of the Project. It is further hereby found, determined and declared that 85 percent of the spendable proceeds of said Bonds, including any earnings on the investment thereof, will be expended in connection with the construction of the Project and for the purposes for which the Bonds are authorized within the three year period beginning on the date of the delivery of the Bonds.

Any moneys held in a separate trust account pursuant to the provisions of Section 5.2 of the Agreement shall, at the written request of an authorized representative of Company, be invested or reinvested by the Trustee in accordance with the provisions of Section 5.2 of the Agreement. Any such investments shall be held by or under control of the Trustee and

shall be deemed at all times a part of the separate trust account in which they are held, and the interest accruing thereon and any profit realized therefrom shall be credited to such account, and any loss resulting from such investments shall be charged to such account. Company shall pay to the Trustee the amount of any net losses with respect to principal on such investments. The Trustee is directed to sell and reduce to cash funds a sufficient amount of such investments whenever the cash balance in such separate trust account is insufficient for the purposes required by Section 5.2 of the Agreement.

The Trustee may make any and all investments permitted by the provisions of this Article VI through its own bond department.

ARTICLE VII

POSSESSION, USE AND PARTIAL RELEASE OF MORTGAGE; DISCHARGE OF LIEN

Section 7.01. Subordination to Rights of Company. This Indenture and the rights and privileges hereunder of the Trustee and the holders of the Bonds are specifically made subject and subordinate to the rights and privileges of Company set forth in the Agreement. So long as not otherwise provided in this Indenture, the Company shall be suffered and permitted to possess, use and enjoy the Project and appurtenances so as to carry out its obligations under the Agreement.

Section 7.02. Granting or Release of Easements. Reference is made to the provisions of Section 6.4 of the Agreement, whereby Company may grant or release easements and take other action upon compliance with the terms and conditions of the Agreement. The Trustee shall execute or confirm the grants or releases of easements, licenses, rights-of-way and other rights and privileges permitted by Section 6.4 thereof upon compliance with the provisions of the Agreement.

Section 7.03. Discharge of Lien. If Issuer shall pay or cause to be paid, or there shall be otherwise paid or provision for payment made, to or for the holders and owners of the Bonds the principal, premium, if any, and interest due or to become due thereon at the times and in the manner stipulated therein, and if Issuer and Company shall not then be in default in any of the other covenants and promises in the Bonds and in this Indenture expressed as to be kept, performed and observed by them or on their part, and shall pay or cause to be paid to Trustee and paying agent all sums of money due or to become due according to the provisions hereof, then these presents and the estate and rights hereby granted shall cease, determine and be void, whereupon Trustee shall cancel and discharge the lien of this Indenture, and execute and deliver to Issuer and Company such instruments in writing as shall be requisite to cancel and discharge the lien hereof, and reconvey to Company any and all property, estate, right, title and interest hereby conveyed and to release, assign and deliver to Issuer any and all estate, right, title and interest in and to any and all rights assigned or pledged hereby or otherwise subject to the lien of this Indenture, except amounts in the Bond Fund required to be paid to Company under Section 5.11 hereof and except moneys or securities held by Trustee for the payment of the principal of and premium, if any, and interest on the Bonds.

Any Bond shall be deemed to be paid within the meaning of this Article when payment of the principal of and the applicable redemption premium, if any, on such Bond, plus interest thereon to the date thereof (whether such due date be by reason of maturity or upon redemption as provided in this Indenture, or otherwise), either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided by depositing with Trustee, in trust and set aside exclusively for such payment, (1) moneys sufficient to make such payment or (2) Governmental Obligations, maturing as to principal and interest in such amount and at such times as will insure the availability of sufficient moneys to make such payment, and all necessary and proper fees, compensation and expenses of Trustee pertaining to the Bonds with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of it. At such times as a Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Indenture, except for the purposes of any such payment from such moneys or Governmental Obligations.

Notwithstanding the foregoing, no deposit under clause (ii) of the immediately preceding paragraph shall be deemed a payment of such Bonds as aforesaid until (1) proper notice of redemption of such Bonds shall have been previously given in accordance with Article III of this Indenture or in the event said Bonds are not by their terms subject to redemption within the next succeeding 60 days, until Company shall have given Trustee on behalf of Issuer, in form satisfactory to it, irrevocable instructions to notify, as soon as practicable, the holders or owners of the Bonds in accordance with Article III hereof, that the deposit required by (ii) above has been made with Trustee and that said Bonds are deemed to have been paid in accordance with this Article and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or redemption price, if applicable, on said Bonds or (2) the maturity of such Bonds. Any moneys so deposited with Trustee as provided in this Section may at the direction of Company also be invested and reinvested in Governmental Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from all Governmental Obligations in the hands of Trustee pursuant to this Section which is not required for the payment of the Bonds and interest and premium thereon with respect to which such moneys shall have been so deposited, shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in that Fund.

Trustee hereby covenants that no deposit will be made or accepted hereunder and no use made of any such deposit which would cause the Bonds to be treated as arbitrage bonds within the meaning of Section 103(c)(2) of the Internal Revenue Code of 1954, as amended.

Notwithstanding any provision of any other Article of this Indenture which may be contrary to the provisions of this Article, all moneys or Governmental Obligations set aside and held in trust pursuant to the provisions of this Article for the payment of Bonds (including interest and premium thereon, if any) shall be applied to and used solely for the payment of the particular Bonds (including interest and premium thereon, if any) with respect to which such moneys and Governmental Obligations have been so set aside in trust.

Anything in Article X hereof to the contrary notwithstanding, if moneys or Governmental Obligations have been deposited or set aside with Trustee pursuant to this Article for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Article shall be made without the consent of the holder of each Bond affected thereby.

Section 7.04. Release of Portions of Project Site. Reference is made to the provisions of the Loan Agreement including without limitation, Section 4.10 thereof, whereby the Company has reserved the right to withdraw certain portions of the land herein described and forming a part of the Project Site upon compliance with the terms and conditions of the Agreement. The Trustee shall release from the lien of this Indenture any such land or portion of the Project Site upon compliance with the provisions of the Agreement.

Section 7.05. Lease of Project. Reference is made to Sections 6.9 and 7.6 of the Agreement, whereby the Company covenants and is permitted to lease the Project to the Lessee.

Section 7.06. Release of Project Equipment. Reference is made to the provisions of the Agreement, including without limitation Section 4.11 thereof, whereby Company may withdraw certain items of Project Equipment upon compliance with the terms and conditions of the Agreement. The Trustee shall at the request of Issuer or Company confirm that any such Project Equipment is no longer subject to the lien of this Indenture upon compliance with the terms and conditions of the Agreement.

ARTICLE VIII

DEFAULT PROVISIONS AND REMEDIES
OF TRUSTEE AND BONDHOLDERS

Section 8.01. Defaults; Events of Default. If any of the following events occur, it is hereby declared to constitute an "event of default":

(a) Default in the due and punctual payment of interest on any Bond;

(b) Default in the due and punctual payment of the principal of or premium, if any, on any Bond whether at the stated maturity thereof, or upon proceedings for redemption thereof, or upon the maturity thereof by declaration;

(c) Default in the performance or observance of any other of the covenants, agreements or conditions on the part of Issuer in this Indenture or in the Bonds contained and failure to remedy the same after notice thereof pursuant to Section 8.12 hereof; or

(d) The occurrence of an "event of default" under Section 8.1 of the Agreement.

Section 8.02. Acceleration. Upon the occurrence of an event of default Trustee may, and upon the written request of the holders of not less than 25 percent in aggregate principal amount of Bonds then outstanding shall, by notice in writing delivered to Issuer, declare the principal of all Bonds then outstanding and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable. Upon any declaration of acceleration hereunder Issuer and Trustee shall immediately declare an amount equal to all amounts then due and payable on the Bonds, to be immediately due and payable as liquidated damages in accordance with Section 8.2(a) of the Agreement.

Section 8.03. Foreclosure of Project. Upon the occurrence of an event of default, the lien of the Project created and vested by this Indenture may be foreclosed either by sale or at public auction or by proceedings in equity, and the Trustee or the holder or holders of any of the Bonds then outstanding, whether or not then in default of payment of principal or interest, may become the purchaser at any foreclosure sale if the highest bidder.

To the extent that such rights may then lawfully be waived, neither Company nor anyone claiming through or under Company, shall set up, claim, or seek to take advantage of any appraisement, valuation, stay, extension or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement of this Indenture or the foreclosure of the mortgage hereunder, and Company, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws and all rights of appraisement and redemption to which it may be entitled under the laws of Indiana.

Section 8.04. Other Remedies; Rights of Bondholders. Upon the occurrence of an event of default Trustee may, as an alternative, pursue any available remedy by suit at law or in equity to enforce the payment of the principal of, premium, if any, and interest on the Bonds then outstanding.

If an event of default shall have occurred, and if requested so to do by the holders of 25 percent in aggregate principal amount of Bonds then outstanding and indemnified as provided in Section 9.01(1) hereof, Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Section 8.04, as Trustee, being advised by counsel, shall deem most expedient in the interests of the Bondholders.

No remedy by the terms of this Indenture conferred upon or reserved to Trustee (or to the Bondholders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity.

No delay or omission to exercise any right or power accruing upon any default or event of default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein; and such right and power may be exercised from time to time as often as may be deemed expedient.

No waiver of any default or event of default hereunder, whether by Trustee or by the Bondholders, shall extend to or shall affect any subsequent default or event of default or shall impair any rights or remedies consequent thereon.

Section 8.05. Right of Bondholders to Direct Proceedings. Anything in this Indenture to the contrary notwithstanding, the holders of a majority in aggregate principal amount of the Bonds then outstanding shall have the right, at any time, by an

instrument or instruments in writing executed and delivered to Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

Section 8.06. Appointment of Receivers. Upon the occurrence of an event of default, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of Trustee and of the Bondholders under this Indenture, Trustee shall be entitled, to the extent permitted by law, to the appointment of a receiver or receivers of the Trust Estate and of the revenues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 8.07. Application of Moneys. All moneys received by Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by Trustee, be deposited in the Bond Fund and all moneys in the Bond Fund shall be applied as follows:

(a) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST - To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installments, to the persons entitled thereto, without any discrimination or privilege; and

SECOND - To the payment to the persons entitled thereto of the unpaid principal of and premium, if any, on any of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), with interest on such Bonds from the respective dates upon which they became due and, if the amount available shall not be sufficient

to pay in full Bonds due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege.

(b) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege.

(c) If the principal of all the Bonds shall have been declared due and payable, and if such declarations shall thereafter have been rescinded and annulled under the provisions of this Article then, subject to the provisions of Section 8.07(b) hereof in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of Section 8.07(a) hereof.

Whenever moneys are to be applied pursuant to the provisions of this Section 8.07, such moneys shall be applied at such times, and from time to time, as Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever Trustee shall apply such funds, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date.

Whenever the principal of, premium, if any, and interest on all Bonds has been paid under the provisions of this Section 8.07 and all expenses and charges of Trustee have been paid, any balance remaining in the Bond Fund shall be paid to Company as provided in Section 5.11 hereof.

Section 8.08. Remedies Vested in Trustee. All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by Trustee without the possession of any of the Bonds or the production

thereof in any trial or other proceeding relating thereto and any such suit or proceeding instituted by Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any holders of the Bonds, and any recovery of judgment shall be for the equal and ratable benefit of the holders of the outstanding Bonds.

Section 8.09. Rights and Remedies of Bondholders. No holder of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of this Indenture or for the execution of any trust hereof or for the appointment of a receiver or any other remedy hereunder, unless also a default has occurred of which the Trustee has been notified as provided in Section 9.01(h) hereof, or of which by said subsection it is deemed to have notice, nor unless also such default shall have become an event of default and the holders of 25 percent in aggregate principal amount of Bonds then outstanding shall have made written request to Trustee and shall have offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in their own name or names, nor unless also they have offered to Trustee indemnity as provided in Section 9.01(l), nor unless Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its own name; and such notification, request and offer of indemnity are hereby declared in every case at the option of Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal and ratable benefit of the holders of all Bonds then outstanding. However, nothing contained in this Indenture shall affect or impair the right of any Bondholder to enforce the payment of the principal of, premium, if any, and interest on any Bond at and after the maturity thereof, or the obligation of Issuer to pay the principal of, premium, if any, and interest on each of the Bonds issued hereunder to the respective holders thereof at the time, place, from the source and in the manner in the Bonds and the appurtenant coupons, if any, expressed.

Section 8.10. Termination of Proceedings. In case Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case Issuer, Trustee and the Bondholders shall be restored to their former positions and rights hereunder respectively with regard to the property subject to this Indenture, and all rights, remedies and powers of Trustee shall continue as if no such proceedings had been taken.

Section 8.11. Waivers of Events of Default. Trustee may at its discretion waive any event of default hereunder and its consequences and rescind any declaration of maturity of principal, and shall do so upon the written request of the holders of (1) more than 50 percent in principal amount of all Bonds then outstanding in respect of which default in the payment of principal or interest, or both, exists, or (2) more than 50 percent in principal amount of all Bonds then outstanding in the case of any other default; provided, however that there shall not be waived (a) any event of default in the payment of the principal of any outstanding Bonds at the date of maturity specified therein or (b) any default in the payment when due of the interest on any such Bonds unless prior to such waiver or rescission all arrears of interest, or overdue installments of interest or all arrears of payments of principal when due, as the case may be, and all expenses of Trustee, in connection with such default shall have been paid or provided for, and in cases of any such waiver or rescission, or in case any proceeding taken by Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case Issuer, Trustee and the Bondholders shall be restored to their former positions and rights hereunder respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

Section 8.12. Notice of Defaults under Section 8.01(c); Opportunity of Company to Cure Such Defaults. Anything herein to the contrary notwithstanding, no default under Section 8.01(c) hereof shall constitute an event of default until actual notice of such default by registered or certified mail shall be given Company by Trustee or by the holders of not less than 25 percent in aggregate principal amount of all Bonds outstanding, and Company shall have had thirty days after receipt of such notice to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the

applicable period; provided, however, if said default be such that it cannot be corrected within the applicable period, it shall not constitute an event of default if corrective action is instituted by Company within the applicable period and diligently pursued until the default is corrected.

ARTICLE IX

TRUSTEE

Section 9.01. Acceptance of Trusts. Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts, but only upon and subject to the following express terms and conditions:

(a) Trustee, prior to the occurrence of an event of default and after curing of all events of default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an event of default has occurred (which has not been cured or waived) Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees but shall be answerable for the conduct of the same in accordance with the standard specified above, and shall be entitled to advice of counsel concerning its duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. Trustee may act upon the opinion or advice of any attorney (who may be the attorney or attorneys for Issuer or Company), approved by Trustee in the exercise of reasonable care. Trustee shall not be responsible for any loss or damage resulting from any action or inaction in good faith, taken or not taken, in reliance upon such opinion or advice.

(c) Trustee shall not be responsible for any recital herein, or in the Bonds (except with respect to the certificate of Trustee endorsed on the Bonds), or for the recording or re-recording, filing or re-filing of this Indenture or any other instrument required by this Indenture to secure the Bonds, or for insuring the Project or collecting any insurance moneys, or for the validity of the execution by Issuer of this Indenture, or of any supplements thereto or instruments of further assurance, or for the sufficiency for the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the Project or otherwise as to the maintenance of the security hereof; and Trustee shall not be bound to ascertain or

inquire as to the performance or observance of any covenants, conditions or agreements on the part of Issuer or on the part of Company under the Agreement in connection with the matters referred to in Section 4.5 thereof, except as hereinafter set forth; but Trustee may require of Issuer or Company full information and advice as to the performance of the covenants, conditions and agreements aforesaid and as to the condition of the property herein conveyed.

(d) Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder. Trustee may become the owner of Bonds secured hereby with the same rights which it would have if not Trustee.

(e) Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Bond, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(f) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, Trustee shall be entitled to rely upon a certificate signed by an authorized representative of Issuer or Company as sufficient evidence of the facts therein contained and prior to the occurrence of a default of which Trustee has been notified as provided in Section 9.01(h) hereof, or of which by Section 9.01(h) it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed by it to be necessary or advisable, but shall in no case be bound to secure the same. Trustee may accept a certificate of the Clerk under the seal of Issuer to the effect that a resolution in the form set forth therein has been adopted by Issuer as conclusive evidence that such resolution has been duly adopted, and is in full force and effect.

(g) The permissive right of Trustee to do things enumerated in this Indenture shall not be construed as a duty and it shall not be answerable for other than its negligence or willful default.

(h) Trustee shall not be required to take notice or be deemed to have notice of any default hereunder except failure by Issuer to cause to be made any of the payments to Trustee required to be made by Article IV or failure by Issuer or Company to file with Trustee any document required by this Indenture or the Agreement to be so filed subsequent to the issuance of the Bonds, unless Trustee shall be specifically notified in writing of such default by Issuer or by the holders of at least 25 percent in aggregate principal amount of Bonds then outstanding and all notices or other instruments required by this Indenture to be delivered to Trustee, must, in order to be effective, be delivered at the principal office of Trustee, and in the absence of such notice so delivered Trustee may conclusively assume there is no default except as aforesaid.

(i) At any and all reasonable times Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect any and all of the property and rights herein conveyed, including all books, papers and records of Issuer pertaining to the Project and the Bonds, and to take such memoranda from and with regard thereto as may be desired.

(j) Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(k) Notwithstanding anything elsewhere in this Indenture with respect to the authentication of any Bonds, the withdrawal of any cash, or any action whatsoever within the purview of this Indenture, Trustee shall have the right, but shall not be required, to demand any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action, by Trustee deemed desirable for the purpose of establishing the right of Issuer to the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by Trustee.

(l) Before taking the action referred to in Section 8.04 or 8.09 hereof Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all

expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful default in connection with any such action.

(m) All moneys received by Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law.

Section 9.02. Fees, Charges and Expenses of Trustee and Paying Agent. Trustee and any paying agent shall be entitled to payment and reimbursement from the Bond Fund for reasonable fees for their services rendered hereunder and all expenses reasonably and necessarily made or incurred by Trustee and any paying agent in connection with such services, including any advances and counsel fees. Upon an event of default, but only upon an event of default, Trustee and any paying agent shall have a first lien with right of payment prior to payment on account of principal of, premium, if any, and interest on any Bond upon the Trust Estate for the foregoing fees, charges and expenses incurred by them respectively.

Section 9.03. Notice to Bondholders if Default Occurs. If a default occurs of which Trustee is by Section 9.01(h) hereof required to take notice or if notice of default be given as therein provided, then Trustee shall promptly give written notice thereof by registered or certified mail to the owner of Bonds then outstanding and to each holder of Bonds then outstanding shown by the list of the Bondholders required by the terms of Section 4.04 hereof to be kept at the office of Trustee.

Section 9.04. Intervention by Trustee. In any judicial proceeding relating to the Project or this issue of Bonds to which Issuer is a party and which in the opinion of Trustee and its counsel has a substantial bearing on the interests of owners of the Bonds, Trustee may intervene on behalf of the Bondholders and shall do so if requested in writing by the owners of at least 25 percent of the aggregate principal amount of Bonds then outstanding.

Section 9.05. Successor Trustee. Any corporation or association into which Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any corporation or association resulting

from any such conversion, sale, merger, consolidation or transfer to which it is a party, shall be and become successor Trustee hereunder and vested with all of the title to the Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 9.06. Resignation by Trustee. Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving thirty days written notice by registered or certified mail to Issuer and Company and to the owner of each Bond at that time registered as to principal (except to bearer) and to each holder of Bonds as shown by the list of the Bondholders required by Section 4.04 hereof to be kept by Trustee, and such resignation shall take effect at the end of such thirty days, or upon the earlier appointment of a successor Trustee by the Bondholders or by Issuer.

Section 9.07. Removal of Trustee. Trustee may be removed at any time, by an instrument or concurrent instruments in writing delivered to Trustee and to Issuer, and signed by the owners of a majority in aggregate principal amount of Bonds then outstanding.

Section 9.08. Appointment of Successor Trustee. In case Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in the case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the owners of a majority in aggregate principal amount of Bonds then outstanding, by an instrument or concurrent instruments in writing signed by such owners, or by their attorneys in fact duly authorized and a copy of which shall be delivered personally or sent by registered mail to Issuer; but until a new Trustee shall be so appointed by the Bondholders, Issuer, by an instrument executed by its Mayor, with the written consent of an authorizing officer of Company, may appoint a Trustee to fill such vacancy until a new Trustee shall be appointed by the Bondholders as aforesaid, and when any such new Trustee shall be appointed by the Bondholders, any Trustee theretofore appointed by Issuer shall thereupon and thereby be superceded and retired. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank in good standing having a reported capital and surplus of not less than the original Trustee, if there be such an institution willing, qualified and able to accept the trust upon customary terms.

Section 9.09. Concerning Any Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its or his predecessor and also to Issuer and Company an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessors; but such predecessor shall, nevertheless, on the written request of Issuer, or of its successor, execute and deliver an instrument transferring to such successor all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor trustee shall deliver all securities and moneys held by it as trustee hereunder to its successor. Should any instrument in writing from Issuer or Company be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by Issuer and Company. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article, shall be filed or recorded by the successor Trustee in each recording office where this Indenture shall have been filed or recorded.

Section 9.10. Recordation or Filing of Agreement, Note or Notes, Indenture and Other Instruments. Company covenants that it will cause the Agreement, the Note or Notes, this Indenture and all supplements thereto and hereto, as well as such other security agreements, financing statements and all supplements thereto and other instruments including without limitation continuation statements as may be required from time to time to be kept, to be recorded and filed in such manner and in such places as may be required by law in order to fully preserve and protect the security of the holders and owners of the Bonds, and the rights of Trustee hereunder, and to perfect the security interest created by this Indenture. The Trustee is hereby authorized to effect any recording of filings required under this section including without limitation continuation statements.

Section 9.11. Designation and Succession of Paying Agents. Trustee and any other banks or trust companies, if any, designated as paying agent or paying agents in any supplemental indenture shall be the paying agent or paying agents for the applicable series of Bonds.

Any bank or trust company with or into which any paying agent may be merged or consolidated, or to which the assets and business of such paying agent may be sold, shall be deemed the successor of such paying agent for the purposes of this Indenture. If the position of paying agent shall become vacant for any reason, Issuer shall, within thirty days thereafter, appoint such bank or trust company as shall be specified by Company and located in the same city as such paying agent to fill such vacancy; provided, however, that if Issuer shall fail to appoint such paying agent within said period, Trustee shall make such appointment.

The paying agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in Section 9.01 hereof with respect to Trustee insofar as such provisions may be applicable.

Section 9.12. Appointment of Co-Trustees. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the law of Indiana) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture or the Agreement, and particularly in case of the enforcement of either on default, or in case Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to Trustee or hold title to the properties, in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that Trustee appoint an additional individual or institution as a separate or Co-Trustee. The following provisions of this Section 9.12 are adapted to these ends.

In the event that Trustee appoints an additional individual or institution as a separate or Co-Trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to Trustee with respect thereto shall be exercisable by and vest in such separate or Co-Trustee but only to the extent necessary to enable such separate or Co-Trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or Co-Trustee shall run to and be enforceable by either of them.

Should any instrument in writing from Issuer be required by the separate Trustee or Co-Trustee so appointed by Trustee for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by Issuer. In

case any separate Trustee or Co-Trustee, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate Trustee or Co-Trustee, so far as permitted by law, shall vest in and be exercised by Trustee until the appointment of a new Trustee or successor to such separate Trustee or Co-Trustee.

ARTICLE X

SUPPLEMENTAL INDENTURES

Section 10.01. Supplemental Indentures Not Requiring Consent of Bondholders. Issuer, Company and Trustee may, without consent of, or notice to any of the Bondholders enter into an indenture or indentures supplemental to this Indenture which shall not be inconsistent with the terms and provisions hereof for any one or more of the following purposes:

(a) To cure any ambiguity or formal defect or omission in this Indenture;

(b) To grant to or confer upon Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders or Trustee;

(c) To subject to this Indenture additional revenues, properties or collateral;

(d) To modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939 or any similar federal statute hereinafter in effect or to permit the qualification of the Bonds for sale under the securities laws of any of the states of the United States, and, if they so determine, to add to this Indenture or any indenture supplemental hereto such other terms, conditions and provisions as may be permitted by said Trust Indenture Act of 1939 or similar federal statute;

(e) To evidence the appointment of a separate Trustee or a Co-Trustee or the successor of a new Trustee or paying agent hereunder.

Section 10.02. Supplemental Indentures Requiring Consent of Bondholders. Exclusive of supplemental indentures covered by Section 10.01 hereof and subject to the terms and provisions contained in this Section, and not otherwise, the holders of not less than two-thirds in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by Issuer, Company and Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by Issuer for the purpose of modifying, altering, amending,

adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture; provided, however, that nothing in this Section contained shall permit, or be construed as permitting (a) an extension of the maturity of the principal of or the interest on, any Bond issued hereunder, or (b) a reduction in the principal amount of, or redemption premium, on, any Bond or the rate of interest, or (c) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (d) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental indenture.

If at any time Issuer shall request Trustee to enter into any such supplemental indenture for any of the purposes of this Section, Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be published as shall be requested by Issuer and in any event one time in a newspaper or financial journal of general circulation in Fort Wayne, Indiana. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the principal office of Trustee for inspection by all Bondholders. If, within sixty days or such longer period as shall be prescribed by Issuer following the final publication of such notice, the holders of not less than two-thirds in aggregate principal amount of the Bonds outstanding at the time of the execution of any such supplemental indenture shall have consented to and approved the execution thereof as herein provided, no holder of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain Trustee, Company or Issuer from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as in this Section permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

If, because of the temporary or permanent suspension of the publication or general circulation of any newspaper or financial journal or for any other reason, it is impossible or impractical to publish any notice required in this Section, then such publication in lieu thereof as shall be made by Trustee shall constitute a sufficient publication of notice.

Anything herein to the contrary notwithstanding, a supplemental indenture under this Article shall not become effective unless and until Company shall have executed and delivered such supplemental indenture.

ARTICLE XI

AMENDMENT OF AGREEMENT AND NOTE

Section 11.01. Amendments, etc., to Agreement and Notes Not Requiring Consent of Bondholders. Issuer, Company and Trustee shall without the consent of or notice to the Bondholders consent to any amendment, change or modification of the Agreement or Note or Notes as may be required (i) by the provisions of the Agreement, the Note or Notes and this Indenture, (ii) for the purpose of curing any ambiguity or formal defect or omission, (iii) so as to more precisely identify property or collateral or substitute or add additional property or collateral or additional rights or interests in property acquired in accordance with the provisions of the Agreement or Note or Notes, which property or collateral is to be subject to the lien of the Indenture, or (iv) in connection with any other change therein which, in the judgment of Trustee, is not to the prejudice of Trustee or the Bondholders.

Section 11.02. Amendments, etc., to Agreement and Notes Requiring Consent of Bondholders. Except for the amendments, changes or modifications as provided in Section 11.01 hereof, neither Issuer, Company nor Trustee shall consent to any other amendment, change or modification of the Agreement or Note or Notes without publication of notice and the written approval or consent of the holders of not less than two-thirds in aggregate principal amount of the Bonds at the time outstanding given as in this Section provided; except that no amendment of the Note or Notes shall permit (a) an extension of the maturity of any installment of principal of or interest on the Note or Notes, or (b) a reduction in the principal amount of any installment of principal of, or redemption premium or rate of interest on the Note or Notes. If at any time Issuer and Company shall request the consent of Trustee to any such proposed amendment, change or modification of the Agreement or Note or Notes, Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of such proposed amendment, change or modification to be published in the same manner as provided by Section 10.02 hereof with respect to supplemental indentures. Such notice shall briefly set forth the nature of the proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the principal office of Trustee for inspection by all Bondholders.

ARTICLE XII

MISCELLANEOUS

Section 12.01. Consents, etc, of Bondholders. Any consent, request, direction, approval, objection or other instrument required by this Indenture to be signed and executed by the Bondholders may be in any number of concurrent documents and may be executed by such Bondholders in person or by agent appointed in writing. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of Trustee with regard to any action taken by it under such request or other instrument, namely:

(a) The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him the execution thereof, or by an affidavit of any witness to such execution.

(b) The fact of the holding by any person of Bonds transferable by delivery and the amounts and numbers of such Bonds, and the date of the holdings of the same, may be proved by a certificate, deemed by Trustee to be satisfactory, executed by any trust company, bank or banker, wherever situated, stating that at the date thereof the party named therein did exhibit to an officer of such trust company or bank or to such banker, as the property of such party, the Bonds therein mentioned. Trustee may, in its discretion, require evidence that such Bonds have been deposited with a bank or trust company before taking any action based on such ownership. In lieu of the foregoing Trustee may accept other proofs as it shall deem appropriate.

For all purposes of this Indenture and of the proceedings for the enforcement hereof, such person shall be deemed to continue to be the holder of such Bond until Trustee shall have received notice in writing to the contrary.

Section 12.02. Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture or the Bonds

is intended or shall be construed to give to any person or company other than the parties hereto, and the holders of the Bonds and coupons, if any, any legal or equitable right, remedy or claim under or with respect to this Indenture or any covenants, conditions and provisions herein contained; this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto and the holders of the Bonds and coupons, if any, as herein provided.

Section 12.03. Severability. If any provision of this Indenture shall be held or deemed by any court of competent jurisdiction to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

Section 12.04. Notices. Any notice, request, complaint, demand, communication or other paper shall be sufficiently given and shall be deemed given when delivered or mailed by registered or certified mail, postage prepaid, or sent by telegram, addressed as follows: if to Issuer, Attention: Clerk, City of Fort Wayne, 1 Main Street, Fort Wayne, Indiana 46802; if to Trustee, Attention: Trust Department, Lincoln National Bank and Trust Company of Fort Wayne, 116 East Berry Street, Fort Wayne, Indiana 46802; and if to Company, Attention: General Partner, Taulbee-Burke Joint Venture, 6225 Commodity Court, Fort Wayne, Indiana 46808, and Grotrian & Boxberger, Suite 200 Metro Building, Fort Wayne, Indiana 46802. A duplicate copy of each notice required to be given hereunder by Trustee to either Issuer or Company shall also be given to the other. Issuer, Company and Trustee may designate any further or different addresses to which subsequent notices, certificates or other communications shall be sent.

Section 12.05. Payments Due on Saturdays, Sundays and Holidays. In any case where the date of maturity of interest on or principal of the Bonds or the date fixed for redemption of any Bond shall be in the City of Fort Wayne, Indiana, a Saturday, Sunday or legal holiday or a day on which banking institutions are authorized by law to close, then payment of principal, premium, if any, or interest need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the date of maturity or the date fixed for redemption and no interest shall accrue for the period after such date.

Section 12.06. Counterparts. This Indenture may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 12.07. Applicable Provisions of Law. This Indenture shall be governed by and construed in accordance with the laws of the State of Indiana.

Section 12.08. Captions. The captions or headings in this Indenture are for convenience only and in no way define, limit or describe the scope or intent of any provisions or Sections of this Indenture.

(a) It will make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other persons, firms or corporations and in general do all things which may be requisite or proper, all for acquiring, constructing, installing and completing the Project, to the extent permitted by law.

(b) It will cause the Project to be acquired and/or constructed as herein provided on the Project Site.

Company agrees to acquire, construct, install and equip the Project with all reasonable dispatch; and to use its best efforts to cause acquisition, construction, installation and equipping to be completed by September 30, 1981 or as soon thereafter as may be practicable, delays incident to Force Majeure only excepted; but if for any reason such acquisition, construction, installation and equipping is not completed by said date there shall be no resulting liability on the part of Company and no diminution in or postponement of the payments required to be paid by Company under this Agreement or the Series 1980 Note or Notes.

Section 3.2. Ownership and Use of Project. Issuer and Company agree that title to and ownership of the Project shall remain in and be the sole property of Company in which Issuer shall have no interest, but the Company shall mortgage and pledge the same to the Trustee on behalf of the holders of the Bonds to secure the payment of the Issuer's obligations thereunder.

Section 3.3. Agreement to Issue Series 1980 Bonds; Application of Bond Proceeds. In order to provide funds to make the Loan, Issuer will issue, sell and deliver to the initial purchasers thereof the Series 1980 Bonds and deposit the proceeds thereof with Trustee as follows:

(i) in the Bond Fund a sum equal to the accrued interest, if any, to be paid by the purchasers of the Series 1980 Bonds, and

(ii) in the Construction Fund the balance of the proceeds to be received from said sale.

Section 3.4. Disbursements from the Construction Fund. Issuer has, in the Indenture, authorized and directed Trustee to make payments from the Construction Fund to pay the Costs of Construction, or to reimburse Company for any Costs of Construction paid by it. Such payments shall be made upon receipt of a requisition signed by an authorized representative of Company stating with respect to each payment to be made: (1) the requisition number, (2) the name and address of the person, firm or corporation to whom payment is due, (3) the amount to be paid, and (4) that each obligation mentioned therein has been properly incurred, is a proper charge against the Construction Fund, is unpaid therefrom, and has not been the basis of any previous withdrawal. At the time of each disbursement, the title insurance commitment or policy shall be endorsed to cover the amount of such disbursement and to extend coverage to include all matters other than Permitted Encumbrances as of the date of such disbursement. The Company will furnish to the Trustee a waiver of all liens of the general contractor which is satisfactory in form and substance to the Trustee and the attorney for the Trustee.

Section 3.5. Furnishing Documents to Trustee. Company agrees to direct such requisitions to Trustee as may be necessary to effect payments out of the Construction Fund in accordance with Section 3.4 hereof.

Section 3.6. Establishment of Completion Date. The Completion Date shall be evidenced to Trustee and Issuer by a certificate signed by an authorized representative of Company stating that, except for amounts retained by Trustee at Company's direction for any Costs of Construction not then due and payable or being contested in good faith, (i) construction and/or acquisition of the Project has been completed and any and all labor, services, materials and supplies used in such construction have been paid for, (ii) all other facilities necessary in connection with the Project have been constructed,

acquired and installed and all costs and expenses incurred in connection therewith have been paid and (iii) the Project Equipment has been installed to his satisfaction, the Project Equipment so installed is suitable and sufficient for the efficient operation of the Project for the intended purposes and all costs and expenses incurred in the acquisition and installation of the Project Equipment have been paid. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being. Upon receipt of such certificate, Trustee shall in accordance with Section 5.08 of the Indenture transfer all moneys then in the Construction Fund to a special escrow account within the Bond Fund, except any amount retained as aforesaid by Trustee for any Costs of Construction, provided that at least 90% of the amount actually expended has been expended on land or property of a character subject to the allowance for depreciation under Section 167 of the Internal Revenue Code of 1954, as amended. Trustee, as directed by Company, shall use any amount transferred to the Bond Fund from the original Loan (together with interest thereon, limited as provided in the Internal Revenue Service Rev. Proc. 79-5 at 26 CFR 601.201 and any subsequent amendments, modifications or replacements thereof) to redeem Series 1980 Bonds at the earliest redemption date, or upon receipt of an opinion from a firm of nationally recognized bond counsel to the effect that such use would not cause interest on the Bonds to become taxable, for any other use so approved by said bond counsel. Company shall make available to Trustee and Issuer on their written request a copy of the detail drawings for the Project as completed.

Section 3.7. Company Required to Pay in Event Construction Fund Insufficient. In the event the moneys in the Construction Fund available for payment of the Costs of Construction should not be sufficient to pay the Costs of Construction in full, Company agrees to complete the Project and to pay that portion of the Costs of Construction in excess of the moneys available therefor in the Construction Fund. Issuer does not make any warranty, either express or implied, that the moneys paid into the Construction Fund and available for payment of the Costs of Construction will be sufficient to pay all of the Costs of Construction. Company agrees that if after exhaustion of moneys in the Construction Fund Company should pay any portion of the Costs of Construction pursuant to the provisions of this Section, it shall not be entitled to any reimbursement therefor from Issuer or from Trustee or from the holders of any of the Bonds, nor shall it be entitled to any diminution of the amounts payable under Section 4.1 hereof or under the Series 1980 Note or Notes.

Section 3.8. Investment of Construction Fund and Bond Fund Moneys. Any moneys held as a part of the Construction Fund and the Bond Fund shall be invested or reinvested by Trustee, at the request of and as directed by the Company, in (i) obligations issued or guaranteed by the United States of America; (ii) obligations issued or guaranteed by any person controlled or supervised by and acting as an instrumentality of the United States of America pursuant to authority granted by the Congress of the United States; (iii) negotiable or nonnegotiable certificates of deposit and time deposits issued by any bank, trust company or national banking association, including the Trustee; (iv) unsecured promissory notes of industrial, utility or financing corporations issued directly or through a dealer; (v) bankers acceptances; (vi) documented discount notes and certain notes backed by irrevocable letters of credit; (vii) repurchase agreements issued by any bank, trust company or national banking association, including the Trustee, fully secured by obligations of the type specified in (i) through (vi) above; and (viii) any other investments to the extent then permitted by law. Trustee may make any and all such investments through its own bond department.

Section 3.9. Covenants With Respect to Arbitrage. Company hereby certifies and represents to Issuer that it is not expected that the proceeds of the Series 1980 Bonds will be used in a manner that would cause the Bonds to be arbitrage bonds under Section 103(c) of the Internal Revenue Code of 1954, as amended, and the proposed regulations promulgated under that Section. To the best knowledge and belief of Company, there are no facts or circumstances which would materially change the foregoing.

Company and Issuer, in reliance on Company's covenant herein, covenant and certify to each other and to and for the benefit of the purchasers of the Series 1980 Bonds that no use will be made of the proceeds from the issue and sale of the Series 1980 Bonds which would cause the Series 1980 Bonds to be classified as arbitrage bonds within the meaning of Section 103(c)(2) of the Internal Revenue Code of 1954, as amended. Pursuant to such covenant, Issuer and Company each obligates itself throughout the term of the issue of the Series 1980 Bonds not to violate the requirements of Section 103(c) of the Internal Revenue Code of 1954, as amended, and any regulations promulgated thereunder.

As used in this Section all words and terms shall have the same meanings as such words are given for the purposes of such Section 103(c) and the applicable regulations promulgated by the Department of the Treasury thereunder.

It is understood and agreed that Company shall be obligated to continue to pay the amounts specified herein and in the Note or Notes whether or not the Project is damaged, destroyed or taken in condemnation and that there shall be no abatement of any such payments and other charges by reason thereof.

Each insurance policy provided for in Section 4.5 hereof (i) may provide that the policy does not cover the first $50,000 of loss, with the result that Company is its own insurer to that extent and (ii) shall contain a provision to the effect that until all of the Bonds are paid (or provision made for the payment thereof in

accordance with the provisions of the Indenture) the insurance company shall not cancel the policy or modify it materially and adversely to the interest of Company or Trustee without first giving written notice thereof to Company and Trustee at least ten days in advance of such cancellation.

Section 4.7. Advances. In the event Company shall fail to maintain the full insurance coverage required by this Agreement, Trustee may (but shall be under no obligation to) take out the required policies of insurance and pay the premiums on the same; and all amounts so advanced therefor by Issuer or Trustee shall become an additional obligation of Company to the one making the advancement, which amounts, together with interest thereon at the Taxable Rate, Company agrees to pay.

Section 4.8. Payment for Maintenance and Modifications of Project. Company agrees that during the Agreement Term it will, at its own expense (i) keep the Project in as reasonably safe condition as its operations shall permit, and (ii) keep the Building and Project Equipment and all other improvements forming a part of the Project in good repair and in good operating condition, making from time to time all necessary repairs thereto (including external and structural repairs) and renewals and replacements thereof.

Company may, also at its own expense, make from time to time any additions, modifications or improvements to the Project it may deem desirable for its business purposes that do not adversely affect the structural integrity of the Building or materially reduce its value provided that all such additions, modifications and improvements to the Building or Project Equipment shall be located wholly within the boundary lines of the Project Site.

All such additions, modifications and improvements so made by Company shall become a part of the Project; provided, that any personal property, machinery, equipment or furniture installed by Company for use in connection with the operation of the Project without expense to Issuer which does not constitute a part of the Project and is not essential to the operation of the Project, may be removed by Company at any time and from time to time, as provided in Section 7.8 hereof; and provided further, that any damage to the Project occasioned by such removal shall be repaired by Company at its own expense.

Company will not permit any mechanics' lien, security interest or other encumbrance to remain against the Project for labor or materials furnished in connection with any original construction, additions, modifications, improvements, repairs,

renewals or replacements so made by it; provided, that if Company shall first notify the Trustee of its intention so to do, Company may in good faith contest any mechanics' or other liens filed or established against the Project, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom, unless the Issuer or the Trustee shall notify Company that by non-payment of any such items the lien of the Indenture as to any part of the Project will be materially endangered or the Project or any part thereof will be subject to loss or forfeiture, in which event Company shall promptly pay and cause to be satisfied and discharged all such unpaid items. In any event the Company shall, at the request of the Trustee secure payment of any contested lien to the reasonable satisfaction of the Trustee.

Section 4.9. Taxes, Other Governmental Charges and Utility Charges. Company will promptly pay, as the same become due, all taxes and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Project or any interest therein or any machinery, equipment or other property installed or brought by Company therein or thereon (including, without limiting the generality of the foregoing, any taxes levied upon or with respect to the revenues, income or profits of Company from the Project which, if not paid, will become a lien on the Project prior to or on a parity with the lien of the Indenture or a charge on the revenues and receipts therefrom prior to or on a parity with the charge thereon and the pledge or assignment thereof to be created and made in the Indenture), and including all ad valorem taxes lawfully assessed upon the land described in Exhibit A attached hereto and made part hereof, all utility and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Project and assessments and charges lawfully made by any governmental body for public improvements that may be secured by lien on the Project or on the land described in Exhibit A attached hereto and made a part hereof; provided, that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, Company shall be obligated to pay only such installments as are required to be paid during the Agreement Term.

Company may, at its expense and in its own name and behalf, in good faith, contest any such taxes, assessments and other charges, and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom, provided during such period enforcement of any such

contested item shall be effectively stayed and provided a reserve fund or other security in an amount acceptable to the Trustee be maintained.

In the event that Company shall fail to pay any of the foregoing items required by this Section to be paid by Company, the Issuer or the Trustee may (but shall be under no obligation to) pay the same and any amounts so advanced therefor by the Issuer or the Trustee shall become an additional obligation of Company to the one making the advancement, which amounts, together with interest thereon at the Taxable Rate, Company agrees to pay.

Section 4.10. Payment for Release of Portions of Project Site. The Company shall have, and is hereby granted, the right to pursue the release from the lien of the Indenture any unimproved part of the Project Site (on which neither the Building nor Project Equipment is located but upon which transportation, parking or utility facilities may be located) at any time and from time to time upon payment to the Bond Fund of an amount equal to the purchase price paid for that portion of the land to be released, provided that it furnishes the Issuer and Trustee with the following:

(a) A notice in writing containing (i) an adequate legal description of that portion of the Project Site with respect to which such option is to be exercised, (ii) a statement that the Company intends to exercise its right to the release of such portion of the Project Site on a date stated, which shall not be less than forty-five (45) nor more than ninety (90) days from the date of such notice.

(b) A certificate of an Independent Engineer who is acceptable to the Trustee, dated not more than ninety (90) days prior to the date of the purchase and stating that, in the opinion of the person signing such certificate (i) the portion of the Project Site with respect to which the right is exercised is not needed for the operation of the Project for the purpose hereinabove stated, and (ii) the release will not materially impair the value nor the usefulness of the Project as an economic development facility and will not destroy the means of ingress thereto and/or egress therefrom.

The Trustee shall deposit such amount in the Bond Fund to redeem Bonds at the earliest possible date at the price set forth in Section 3.01 of the Indenture and will release from the lien of the Indenture such portion of the Project Site with respect to which the Company shall have exercised the right granted to it in this Section.

In the event the Company shall exercise the right granted to it under this Section, the Company shall not be entitled to any abatement or diminution of the payments under Section 4.1 hereof except as otherwise provided in Section 4.1 hereof, and if such option relates to Project Site on which transportation, parking or utility facilities are located, the Company shall retain an easement to use such transportation or utility facilities to the extent necessary for the efficient operation of the Project.

Section 4.11. Payment for Removal of Project Equipment. Subject to the provisions of Section 4.8 hereof, Company shall not be under any obligation to renew, repair or replace any inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary Project Equipment. In any instance where Company in its sound discretion determines that any items of Project Equipment have become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, Company may remove such items of Project Equipment from the Building and the Project Site and sell, trade in, exchange or otherwise dispose of them (as a whole or in part) without any responsibility or accountability to the Issuer or the Trustee therefor, provided that Company:

(a) Substitutes and installs anywhere in the Building or on the Project Site other machinery or equipment having equal or greater value (but not necessarily having the same function) in the operation of the Project, all of which substituted machinery or equipment shall be free of all liens and encumbrances (other than Permitted Encumbrances) but shall become a part of the Project Equipment; or

(b) (i) in the case of the sale of Project Equipment to anyone other than itself or in the case of the scrapping thereof, Company shall pay into the Bond Fund the proceeds from such sale or the scrap value thereof, as the case may be, (ii) in the case of the trade-in of such equipment for other equipment not to be installed in the Building or on the Project Site, the Company shall pay into the Bond Fund the amount of the credit received by it in such trade-in, and (iii) in the case of the sale or transfer of Project Equipment to Company or a related company, Company shall pay into the Bond Fund an amount equal to the original cost thereof less depreciation at rates calculated in accordance with generally accepted accounting practice.

In the event that Company prior to such removal of items of Project Equipment from the Building and the Project Site has acquired and installed machinery or equipment with its own funds which has become part of the Project Equipment, Company

may take credit to the extent of the amount so spent by it against the requirement that it either substitute and install other machinery and equipment having equal or greater value or that it make payment into the Bond Fund, provided that the provisions of this sentence shall not relieve Company of its obligations under the first sentence of Section 4.8 hereof.

The removal from the Project of any portion of the Project Equipment pursuant to the provisions of this Section shall not entitle the Company to any abatement or diminution of the payments required under Section 4.1 hereof except as otherwise provided in Section 4.1 hereof.

Company will promptly report to the Trustee each such removal, substitution, sale and other disposition of any item of Project Equipment having a depreciated value (calculated in accordance with generally accepted accounting practice) of more than $5,000 and will pay to the Trustee such amounts as are required by the provisions of the preceding subsection (b) of this Section to be paid into the Bond Fund to redeem Bonds at the earliest possible date at the price set forth in Section 3.01 of the Indenture promptly after the sale, trade-in, or other disposition requiring such payment; provided, that no such report and payment need be made until the amount to be paid into the Bond Fund on account of all such sales, trade-ins, or other dispositions not previously reported aggregates at least $25,000.

Company will pay any costs (including counsel fees) incurred in subjecting to the lien of the Indenture any items of machinery or equipment that under the provisions of this Section are to become a part of the Project Equipment.

Company will not remove, or permit the removal of, any of the Project Equipment from the Project Site except in accordance with the provisions of this Section.

DAMAGE, DESTRUCTION AND CONDEMNATION; USE OF NET PROCEEDS

Section 5.1. Damage, Destruction and Condemnation. Unless Company exercises its option to prepay the Loan pursuant to the provisions of Section 9.1 hereof, if prior to full payment of the Bonds (or provision for payment thereof in accordance with the provisions of the Indenture) (i) any portion of the Project is damaged or destroyed, or (ii) title to, or the temporary use of, any portion of the Project or any estate of Company in the Project or any part thereof shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, Company shall be obligated to continue to pay the amounts specified herein and in the Note or Notes.

Section 5.2. Application of Net Proceeds. Except for any portion of the Net Proceeds from policies of insurance paid to Company pursuant to policy provisions or endorsements permitted under Section 4.6 hereof, unless Company exercises its option to prepay the Loan pursuant to the provisions of Section 9.1 hereof, Trustee and Company will cause the Net Proceeds of any insurance proceeds or condemnation award resulting from any event described in Section 5.1 hereof to be deposited in a separate trust account, and the Net Proceeds shall be applied in one or more of the following ways as shall be elected by Company in a written notice to Trustee:

(a) The prompt repair, restoration, relocation, modification or improvement of the Project by Company to substantially the same condition as existed prior to the event causing such damage or destruction or the exercise of such power of eminent domain. Issuer has, in the Indenture, authorized and directed Trustee to make payments from such separate trust account for such purposes or to reimburse Company for costs paid by it in connection therewith upon receipt of a requisition acceptable to Trustee signed by an authorized representative of the Company stating with respect to each payment to be made: (1) the requisition number, (2) the name and address of the person, firm or corporation to whom payment is due, (3) the amount to be paid, and (4) that each obligation mentioned therein has been properly incurred, is a proper charge against such trust account, is unpaid, and has not been the basis of any previous withdrawal. Any moneys held by the Trustee in the separate trust account under the provisions of this paragraph shall at the written request of an authorized Company

representative, be invested or reinvested by the Trustee in investments enumerated in Section 3.8 hereof. The Company shall pay to the Trustee the amount of any net losses with respect to principal on such investments. Any balance of the Net Proceeds remaining after such work has been completed shall be transferred to the Bond Fund to redeem Bonds at the earliest possible date at the prices set forth in Section 3.01 of the Indenture, or if the Bonds have been fully paid (or provisions for payment thereof have been made in accordance with the provisions of the Indenture), any balance remaining in the Bond Fund shall be paid to Company.

(b) The Net Proceeds may be paid into the Bond Fund and applied to redeem any portion of the Bonds then outstanding at the earliest possible date at the prices set forth in Section 3.01 of the Indenture if Company shall furnish to Issuer and Trustee a certificate of an authorized representative of Company acceptable to Issuer and Trustee stating that (i) the property forming a part of the Project that was damaged or destroyed by such casualty or was taken by such condemnation proceedings is not essential to Company's use or possession of the Project; or (ii) the repair, restoration, relocation, modification, or improvement of the Project contemplated by subparagraph (a) of this Section 5.2 is not economically practicable.

Section 5.3. Insufficiency of Net Proceeds. If the Net Proceeds are insufficient to pay in full the cost of any repair, restoration, relocation, modification or improvement referred to in Section 5.2(a) hereof, Company will nonetheless complete the work and will pay any cost in excess of the amount of the Net Proceeds held by the Trustee.

ARTICLE VI

SPECIAL COVENANTS

Section 6.1. No Warranty of Condition or Suitability by Issuer. Issuer makes no warranty, either express or implied, as to the Project or that it will be suitable for Company's purposes or needs.

Section 6.2. Company to Maintain its Existence; Conditions Under Which Exceptions Permitted. The Company agrees that during the Agreement Term it will maintain its existence as a general partnership of the State of Indiana; provided, that in the event of a withdrawal or death of a partner or the assignment of partner's interest in the Company, the Company may, without violating the agreement contained in this Section, continue the partnership with the assignee or the personal representative of the deceased partner, or the Company may purchase the interest of the assigning, withdrawing or deceased partner; provided, further, however, that such events shall not relieve the partners of the Company, including the assigning, withdrawing or deceased partner from the liability under the Agreement or the Note or Notes. Notwithstanding anything herein to the contrary, Frederick C. Burke and Price Taulbee, Jr., or such nominees thereof as are reasonably acceptable to the Trustee and as shall have comparable experience and expertise in the operation and management of the Company, shall remain as general partners of the Company during the term hereof. Death of a general partner shall not constitute a breach of this covenant.

Section 6.3. Right of Access to the Project. Company agrees that the Issuer, the Trustee and their or either of their duly authorized agents shall have the right at all reasonable times during business hours, subject to Company's and Lessee's safety and security requirements, to enter upon the Project Site and to examine and inspect the Project without interference or prejudice to the Company's or Lessee's operation.

Company further agrees that the Issuer and its duly authorized agents shall have such rights of access to the Project as may be reasonably necessary to cause to be completed the construction and installation provided for in Section 3.1 hereof, and thereafter for the proper maintenance of the Project, in the event of failure by Company to perform its obligations under Section 4.8 hereof.

Section 6.4. Granting of Easements. If no event of default shall have happened and be continuing, the Company may at any time or times grant easements, licenses, rights-of-way (including the dedication of public highways) and other rights or privileges in the nature of easements with respect to any property subject to the lien of the Indenture, free from the lien of the Indenture, or Company may release existing easements, licenses, rights-of-way and other rights or privileges with or without consideration, and the Issuer agrees that it shall execute and deliver and will cause and direct the Trustee to execute and deliver any instrument necessary or appropriate to confirm and grant or release any such easement, license, right-of-way or other right or privilege upon receipt of: (i) a copy of the instrument of grant or release, (ii) a written application signed by an authorized representative of Company requesting such instrument, and (iii) a certificate executed by an officer or representative of Company stating (1) that such grant or release is not detrimental to the proper conduct of the business of Company, and (2) that such grant or release will not impair the effective use or interfere with the operation of the Project and will not materially weaken, diminish or impair the security intended to be given by or under the Indenture.

Section 6.5. Release and Indemnification Covenants. Company releases the Issuer from, covenants and agrees that the Issuer shall not be liable for, and agrees to indemnify and hold the Issuer harmless against, any loss or damage to property or any injury to or death of any person occurring on or about or resulting from any defect in the Project or any other improvements or installations on the Project Site; provided, that the indemnity provided in this sentence shall be effective only to the extent of any loss that may be sustained by the Issuer in excess of the Net Proceeds received from any insurance carried with respect to the loss sustained, and provided further, that the indemnity shall not be effective for damages that result from sole negligence or intentional acts on the part of the Issuer. To this end, Company will provide for and insure, in the public liability policies required in Section 4.5 hereof, not only its own liability in respect of the matters there mentioned but also the liability herein assumed. Furthermore, no covenant or agreement contained in this Agreement, the Bonds or the Indenture shall be deemed to be a covenant or agreement of any member of the Commission or of the legislative body of the Issuer or of any officer or employee of the Issuer or its legislative body in his or her individual capacity, and neither the members of the Commission or the legislative body of the Issuer nor any officer or employee of the Issuer executing the Bonds shall be liable personally on

the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

Section 6.6. Tax Exempt Status of Bonds. Company further covenants that it will not take, or fail to take, any action which action or failure will cause the interest on the Bonds to become subject to federal income taxes pursuant to the provisions of Section 103(b) of the Internal Revenue Code so long as any of the Bonds are outstanding under the Indenture; provided, that Company shall not have violated this covenant if the interest on any of the Bonds becomes taxable to a person who is a substantial user of the Project or a related person pursuant to the provisions of Section 103(b)(9) of the Internal Revenue Code. In the event that the Bonds are issued pursuant to the $10,000,000 election under Section 103(b) of the Internal Revenue Code, Company shall cooperate with Issuer in filing the election prior to issuance of the Bonds and shall accurately set forth therein all of its Section 103(b)(6)(D) capital expenditures for the three-year period prior to issuance of the Bonds. Thereafter, Company shall report all additional Section 103(b)(6)(D) capital expenditures to the Internal Revenue Service at the time it files its annual tax returns for the three-year period following the issuance of the Bonds.

Section 6.7. Further Assurances and Corrective Instruments. To the extent permitted by law, Issuer and Company agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for carrying out the intention of or facilitating the performance of this Agreement or the Note or Notes.

Section 6.8. Annual Statement. Company agrees to furnish Trustee annually a balance sheet and income statement certified by independent certified public accountants acceptable to the Trustee within 120 days of the end of eash fiscal year hereafter. Company also agrees to furnish Trustee a copy of each of the interim financial statements and reports that Company furnishes to its partners. Such financial statements and reports shall be furnished to Trustee at the same time as they are furnished to its partners.

Section 6.9. Lease. Company shall assign the Lease to the Trustee as collateral for the Series 1980 Bonds. Company agrees to maintain the Lease in full force and effect for so long as the Bonds are outstanding and agrees to unconditionally assign "Basic Rentals" as that term is defined in the Lease.

ARTICLE VII

ASSIGNMENT, REDEMPTION, MORTGAGING AND SELLING; INSTALLATION OF MACHINERY AND EQUIPMENT

Section 7.1. Assignment. This Agreement and the Note or Notes may be assigned by Company without the necessity of obtaining the consent of either Issuer or Trustee, subject, however, to each of the following conditions:

(a) No assignment shall relieve Company from primary liability for any of its obligations hereunder or under the Note or Notes, and in the event of any such assignment Company shall continue to remain primarily liable for payments of the amounts specified in the Note or Notes and in Section 4.1 hereof and for performance and observance of the other agreements on its part herein and in the Note or Notes provided to be performed and observed by it to the same extent as though no assignment had been made.

(b) The assignee shall assume the obligations of Company hereunder and under the Note or Notes to the extent of the interest assigned.

(c) Company shall, within thirty days after the delivery thereof, furnish or cause to be furnished to Issuer and to Trustee a true and complete copy of each assignment and assumption of obligation, as the case may be.

Section 7.2. Assignment and Pledge of Interest in this Agreement by Issuer. Any assignment or pledge by Issuer to Trustee pursuant to the Indenture of any interest in this Agreement or the Note or Notes, or any moneys receivable under this Agreement or the Note or Notes shall be subject and subordinate to this Agreement and the Note or Notes.

Section 7.3. Redemption of Bonds. Upon the agreement of Company to deposit moneys in the Bond Fund in an amount sufficient to redeem Bonds subject to redemption, Trustee at the request of Company, shall forthwith take all steps (other than the payment of the money required for such redemption) necessary under the applicable redemption provisions of the Indenture to effect redemption of all or part of the then outstanding Bonds, as may be specified by Company, on the earliest redemption date on which such redemption may be made under such applicable provisions.

Section 7.4. References to Bonds Ineffective After Bonds Paid. Upon payment in full of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture) and payment of all fees and charges of Trustee, all references in this Agreement to the Bonds and Trustee shall be ineffective and neither Trustee nor the holders of any of the Bonds shall thereafter have any rights hereunder, saving and excepting those that shall have theretofore vested.

Section 7.5. Mortgaging of Project. Company shall mortgage the Project, and Company shall assign the Lease, and the Issuer shall assign its interest in and pledge any moneys receivable under this Agreement, to the Trustee pursuant to the Indenture as security for payment of the principal of, premium, if any, and interest on the Bonds, but each such mortgage, assignment or pledge shall be subject and subordinate to this Agreement.

Section 7.6. Lease of Project. Company shall lease the Project to the Lessee.

Section 7.7. Restrictions on Sale of Project. Company agrees that, except as set forth in Section 7.5 and 7.6 hereof or other provisions of this Agreement or the Indenture, it will not sell, convey, mortgage, lease, encumber or otherwise dispose of any part of the Project during the Agreement Term.

Section 7.8. Installation of Company's Own Machinery and Equipment. In addition to the machinery and equipment installed by Company under the provisions of Section 4.8 hereof which does not become part of the Project Equipment thereunder, Company may from time to time, in its sole discretion and at its own expense, install additional machinery and equipment in the Building or on the Project Site.

Subject to Section 4.8 hereof, all machinery and equipment so installed by Company shall remain the sole property of Company in which neither the Issuer nor the Trustee shall have any interest; may be modified or removed at any time while Company is not in default hereunder; and shall not be subject to the lien of the Indenture.

Company shall tag or otherwise suitably identify all tangible personal property constituting the sole property of Company and not constituting a part of the Project Equipment, so as to indicate the lack of any interest of Issuer and the Trustee therein. Company shall also tag or otherwise suitably

identify all tangible personal property constituting the Project Equipment, so as to indicate the interest of Issuer and the Trustee therein.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES

Section 8.1. Events of Default Defined. The following shall be "events of default" under this Agreement and the Note or Notes and the terms "event of default" and "default" shall mean, whenever they are used in this Agreement and the Note or Notes, any one or more of the following events:

(a) Failure by Company to make the payments required under the Note or Notes at the time specified therein and the continuation of said failure for a period of one day.

(b) A default under the Lease by either Company or the Lessee.

(c) Any failure by any Guarantor to make the payments required under any Guaranty Agreement at the time specified therein and any failure by any Guarantor to comply with the agreements and covenants in any Guaranty Agreement and the making by any Guarantors of any representation in any Guaranty Agreement which proves to be false as of the date made.

(d) Failure by Company to observe and perform any covenant, condition or agreement in this Agreement or obligation to prepay the Note or Notes on its part to be observed or performed, other than as referred to in Section 8.1(a), for a period of thirty days after written notice, specifying such failure and requesting that it be remedied, given to Company by Issuer or Trustee, unless Issuer and Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, Issuer and Trustee will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by Company within the applicable period and diligently pursued until the default is corrected.

(e) The dissolution or liquidation of the Company or Advanced Machine and Tool Corporation as one of the Guarantors; or the filing by the Company or Advanced Machine and Tool Corporation as one of the Guarantors of a voluntary petition in bankruptcy, or failure by the Company or Advanced Machine and Tool Corporation as one of the Guarantors promptly to forestall or remove any execution, garnishment or attachment of such consequence as will

impair its ability to continue its business or fulfill its obligations hereunder; or the entry of an order for relief under Title 11 of the United States Code, as the same may from time to time be hereinafter amended, against the Company or Advanced Machine and Tool Corporation as one of the Guarantors; or the filing of a petition or answer proposing the entry of an order for relief against the Company or Advanced Machine and Tool Corporation as one of the Guarantors under Title 11 of the United States Code, as the same may from time to time be hereinafter amended, or the reorganization, arrangement or debt readjustment of the Company or Advanced Machine and Tool Corporation as one of the Guarantors under any present or future federal bankruptcy act or any similar federal or state law in any court and the failure of said petition or answer to be discharged or denied within ninety days after the filing thereof; or the appointment of a custodian (including without limitation a receiver, trustee or liquidator of the Company or Advanced Machine and Tool Corporation as one of the Guarantors) of all or a substantial part of the property of the Company or Advanced Machine and Tool Corporation as one of the Guarantors, and the failure of such a custodian to be discharged within ninety days after such appointment; or the taking by such a custodian of possession of the Company or Advanced Machine and Tool Corporation as one of the Guarantors or a substantial part of its property, and the failure of such taking to be discharged within ninety days after such taking; or the Company's or Advanced Machine and Tool Corporation's as one of the Guarantors consent to or acquiescence in such appointment or taking; or assignment by the Company or Advanced Machine and Tool Corporation as one of the Guarantors for the benefit of its creditors; or the entry by the Company or Advanced Machine and Tool Corporation as one of the Guarantors into an agreement of composition with its creditors. The term "dissolution or liquidation of the Company or Advanced Machine and Tool Corporation as one of the Guarantors," as used in this subsection, shall not be construed to include the cessation of the existence of the Company resulting either from a withdrawal or death of a partner of the assignment of the partner's interest in the Company. Neither shall those terms be construed to include the cessation of the corporate existence of Advanced Machine and Tool Corporation resulting either from a merger or consolidation of Advanced Machine and Tool Corporation into or with another corporation or a dissolution or liquidation of Advanced Machine and Tool Corporation following a transfer of all or

substantially all of its assets as an entirety, under the conditions permitting such actions required in Section 6.2 hereof.

The foregoing provisions of this Section are subject to the following limitations: If by reason of Force Majeure Company is unable in whole or in part to carry out its agreement on its part herein contained, other than the obligations on the part of Company to make payments pursuant to Article IV hereof or the Note or Notes, Company shall not be deemed in default during the continuance of such inability. Company agrees, however, to remedy with all reasonable dispatch the cause or causes preventing Company from carrying out its agreement; provided, that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of Company, and Company shall not be required to make settlement of strikes, lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is in the judgment of Company unfavorable to Company.

Section 8.2. Remedies on Default. Whenever any event of default referred to in Section 8.1 hereof shall have happened and be continuing, Trustee may take any one or more of the following remedial steps:

(a) By written notice to Company, Trustee may declare the Note or Notes and all amounts payable thereunder, in a sum equal to all amounts then due and payable on the Bonds whether by acceleration of maturity or otherwise, to be immediately due and payable as liquidated damages, whereupon the same shall become immediately due and payable.

(b) Trustee may take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of Company under this Agreement and the Note or Notes.

Any amounts collected pursuant to action taken under this Section 8.2 shall be paid into the Bond Fund and applied in accordance with the provisions of the Indenture or, if the Bonds have been fully paid (or provision for payment thereof has been made in accordance with the provisions of the Indenture), to Company.

Section 8.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to Issuer or Trustee is intended to be exclusive of any other available remedy or remedies, but each

and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or the Note or Notes or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle Issuer or Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be required in this Article. Such rights and remedies as are given Issuer hereunder shall also extend to Trustee, and Trustee and the holders of the Bonds, subject to the provisions of the Indenture, shall be entitled to the benefit of all covenants and agreements herein contained.

Section 8.4. Agreement to Pay Attorneys' Fees and Expenses. The Company agrees that it will, on demand therefor, pay to the Issuer or the Trustee the reasonable attorneys' fees and other expenses as may be incurred as a result of a default under any of the provisions herein or in the Notes, or for the enforcement of performance or observance of any obligation or agreement on the part of the Company herein contained.

Section 8.5. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement or in the Note or Notes should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder or thereunder.

ARTICLE IX

PREPAYMENT OF LOAN

Section 9.1. Option to Prepay the Loan. Company shall have and is hereby granted the option to prepay the amounts payable under this Agreement and the Series 1980 Note or Notes for the purpose of redeeming the Series 1980 Bonds, including the principal of, premium, if any, and interest on the Series 1980 Note or Notes, in whole or in part, on any interest payment date, on or after November 30, 1980, so long as Company is not in default under this Agreement.

Section 9.2. Conditional Option. Company shall have and is hereby granted the option to prepay on any interest payment date the amounts payable under this Agreement and the Note or Notes prior to the expiration of the Agreement and prior to the full payment of the Bonds (or prior to making provision for payment thereof in accordance with the Indenture) if a Determination of Taxability described in Section 2.06 of the Indenture shall have been made.

Section 9.3. Prepayment Price. In the case of any prepayment pursuant to Section 9.1 or Section 9.2 of this Agreement for the purpose of redeeming the Series 1980 Bonds, the amount payable shall be a sum sufficient, together with other funds deposited with Trustee and available for such purpose, to redeem all or part of the Series 1980 Bonds then outstanding at 100% of the principal amount thereof, plus accrued interest to the date of redemption (at the rate provided in Section 3.01 of the Indenture) and to pay all reasonable and necessary expenses of Trustee accrued and to accrue through redemption of the Series 1980 Bonds so redeemed, except that in the case of any prepayment pursuant to Section 9.1 of this Agreement in the period from November 30, 1980 to October 31, 1983 which is financed by issuing new partnership debt for the purpose of redeeming the Series 1980 Bonds, the amount payable shall be a sum sufficient, together with other funds deposited with Trustee and available for such purpose, to redeem all or part of the Series 1980 Bonds then outstanding at 101% of the principal amount thereof, plus accrued interest to the date of redemption (at the rate provided in Section 3.01 of the Indenture) and to pay all reasonable and necessary expenses of Trustee accrued and to accrue through redemption of the Series 1980 Bonds so redeemed.

If a Determination of Taxability occurs (as described in Section 2.06 of the Indenture), the Company shall pay on behalf of the Issuer amounts equal to the amounts required pursuant to

Section 2.06 II of the Indenture, and such payments are independent of prepayments to be made in the event the Company elects to exercise its option under Sections 9.1 and 9.2 hereof.

Section 9.4. Notice of Prepayment. To exercise any of the options or obligations set forth in this Article IX Company shall give written notice to Issuer and Trustee which shall specify therein the date of closing of the prepayment, which date shall be not less than 45 days nor more than 90 days from the date the notice is mailed.

Section 9.5. Obligation to Pay Additional Interest. If a Determination of Taxability occurs (as described in Section 2.06 of the Indenture), the Company, notwithstanding the exercise of the option to prepay the Loan provided in this Section 9.2 hereof, shall pay on behalf of the Issuer amounts equal to the amounts required pursuant to Section 2.06(II) of the Indenture, and such payments are independent of prepayments to be made in the event the Company elects to exercise its option under Sections 9.1 and 9.2 hereof.

Section 9.6. Relative Position of this Article and Indenture. The rights and options granted to Company in this Article shall be and remain prior and superior to the Indenture and may be exercised whether or not Company is in default hereunder; provided that such default will not result in nonfulfillment of any condition to the exercise of any such right or option.

LEASE

THIS LEASE, made and entered into as of the first day of November, 1980, by and between TAULBEE-BURKE JOINT VENTURE, (hereinafter collectively referred to as "Lessor"), and ADVANCED MACHINE AND TOOL CORPORATION, an Indiana corporation (hereinafter referred to as "Lessee"), WITNESSETH THAT:

WHEREAS, Lessee has requested that Lessor construct and equip a facility for manufacture of special purpose machinery for industry and office facilities in connection therewith on certain real estate located in Fort Wayne, Indiana; and

WHEREAS, Lessor is willing to construct the facility and lease the same to Lessee provided that Lessor is able to finance such construction out of the proceeds of an issue of economic development revenue bonds to be issued by the City of Fort Wayne ("City") or funds provided by Lessee if such proceeds are insufficient; and

WHEREAS, Lessee recognizes that the basic rental under the lease must be sufficient to discharge the obligations of Lessor to purchasers of the economic development revenue bonds of the City, including provision for optional and mandatory prepayment of such bonds under certain circumstances;

NOW, THEREFORE, in consideration of these premises and to induce the City and Lessor to consummate the economic development revenue bond financing, construct the facility and lease the same to Lessee, Lessor and Lessee hereby agree as follows:

ARTICLE I
LEASE OF THE PREMISES

Section 1.01. THE DEMISE. Lessor, for and in consideration of the rents, covenants and agreements hereinafter reserved, mentioned and contained on the part of Lessee, its successors and assigns, to be paid, kept and performed, has demised and leased, and by these presents does demise and lease, to Lessee, and Lessee does hereby take and hire, upon and subject to the conditions hereinafter expressed, the real property described in Exhibit A which is attached hereto and hereby made a part hereof together with the building and other improvements to be constructed thereon by Lessor in accordance with the plans and specifications previously approved by Lessee. The real property described on Exhibit A and all buildings and other improvements located thereon are hereinafter referred to as the "Leased Premises".

ARTICLE II
TERM

Section 2.01. THE TERM. The term of this lease (hereinafter called the "Term") shall commence on the date hereof, and shall expire at midnight on the first day of March , 1991, unless at such time and on said date all of the Economic Development Revenue Bonds, Series 1980, (Taulbee-Burke Joint Venture Project) ("Bonds"), issued by the City of Fort Wayne pursuant to a Mortgage and Indenture of Trust dated the 1st day of November, 1980 (hereinafter referred to as the "Indenture") shall not have been paid in full, in which case the "Term" shall not expire until the date on which such payment shall have been made.

ARTICLE III
RENT

Section 3.01. BASIC RENTAL. During the Term, Lessee agrees to pay to Lessor at least one day before the first day of each month a basic rental for the Leased Premises (hereinafter referred to as the "Basic Rental") in a sum equal to the amount of principal and interest on the Bonds payable on that date as provided in the Indenture.

It is provided, however, that the payments due shall be reduced by the amount, if any, available in the Bond Fund under the Indenture for payment of interest on or principal of the Bonds. In any event, each Basic Rental payment shall be sufficient to pay the total amount of principal of and interest on the Bonds payable on the next succeeding interest payment date.

Section 3.02. MANDATORY PREPAYMENT OF RENT. In the event that Lessor, under Article IX of a certain Loan Agreement dated the 1st day of November, 1980, with the City entered into in connection with the Bonds (hereinafter called the "Loan Agreement") either (a) elects with the consent of Lessee, or (b) is required to prepay the amounts due thereunder, Lessee shall pay to Lessor as Mandatory Prepaid Basic Rental hereunder an amount which, when combined with proceeds payable to Lessor under policies of insurance or condemnation proceedings, if applicable, will be sufficient to permit Lessor to pay the amounts required under the Loan Agreement. Upon such payment, Lessee's obligation to pay Basic Rental shall abate to the extent of such prepayment.

Section 3.03. BASIC RENTAL OBLIGATION AND MANDATORY PREPAYMENT OF RENT ABSOLUTE AND UNCONDITIONAL. So long as any principal of or interest on the Bonds shall remain due and

payable, the obligations of Lessee to make the payments required in Sections 3.01 and 3.02 hereof and to perform and observe the other agreements on its part contained herein shall be absolute and unconditional. Until such time as the principal of and interest on the Bonds shall have been paid in full, Lessee will not discontinue any payments required of it hereunder and will not terminate this lease for any cause, including without limitation, failure of Lessor to complete the Leased Premises, failure of Lessor's title in and to the Leased Premises and any part thereof, any act or circumstance that may constitute eviction or constructive eviction, destruction of or damage to the Leased Premises or failure of Lessor to perform and observe any agreement, whether express or implied or any duty, liability or obligation arising out of or connected with this lease. Nothing contained in this paragraph shall be construed to release Lessor from the performance of any of the agreements on its part herein contained; and if Lessor shall fail to perform any such agreement, Lessee may institute such action against Lessor as Lessee may deem necessary to compel the performance or recover its damages for non-performance so long as such action shall not impair or negate the agreements on the part of Lessee contained in the preceding sentence. Lessee may, however, at its own cost and expense and in its own name or in the name of Lessor, prosecute or defend any action or proceeding or take any other action involving third persons which Lessee deems reasonably necessary in order to insure the acquisition, construction, equipping, installation and completion of the Leased Premises or to secure or protect its right of possession, occupancy and use hereunder; and in such event, Lessor hereby agrees to cooperate fully with Lessee and to take all lawful action which is required to effect the substitution of Lessee for Lessor in any such action or proceeding if Lessee shall so request.

Section 3.04. ADDITIONAL RENTAL. In addition to the Basic Rental and the Mandatory Prepaid Basic Rental, Lessee shall pay to Lessor an additional rental for the Leased Premises (hereinafter referred to as the "Additional Rental") in the amount of _____ Dollars ($_____) per year payable in equal monthly installments of _____ Dollars ($_____) in advance on the first day of each month during the Term.

Section 3.05. IMPOSITIONS. Lessee covenants and agrees to pay, as further Additional Rental, all real estate taxes, assessments and other governmental charges, general and special, including assessments for public improvements or benefits, which may be laid, levied, assessed, or imposed upon or become due and payable and lien upon the Leased Premises or

any part thereof during the Term (all of which taxes, assessments and other governmental charges are hereinafter referred to as "Impositions").

Section 3.06. INSTALLMENT PAYMENTS. If any such Imposition is payable, or may at the option of the taxpayer be payable, in installments (whether or not interest shall accrue on the unpaid balance of any such Imposition), Lessee may pay the same, together with any interest on the unpaid balance of such Imposition, in installments as the same become due and payable. Any Imposition relating to a fiscal period of the taxing authority, a part of which period is included within the Term and a part of which is included in a period of time not within the Term, shall be adjusted as between Lessor and Lessee as of the termination of the Term so that Lessee shall pay that portion of any such Imposition which relates to the portion of the fiscal period of the taxing authority falling within the Term and Lessor shall pay the balance thereof.

Section 3.07. CONTEST OF IMPOSITIONS. Lessee shall have the right to contest the amount or validity of any Imposition by appropriate legal proceedings, but this shall not be deemed or construed in any way as relieving Lessee of its covenant to pay any such Imposition. Lessor shall not be required to join in any such proceeding except to the extent necessary to permit Lessee to properly prosecute the same, and provided further, that Lessor shall not be subjected to any liability for the payment of any costs or expenses in connection with any such proceeding brought by Lessee, and Lessee shall have provided surety satisfactory to Lessor and to the Trustee under the Indenture (hereinafter referred to as the "Trustee") to indemnify and hold Lessor and Trustee harmless from any such costs and expenses and from liability for payment of the contested Imposition.

Section 3.08. LIMITATION. Nothing contained in this lease shall require Lessee to pay any franchise, estate, inheritance, succession, capital levy or transfer tax of Lessor or any income, excess profits or revenue tax or any other tax, assessments, charge or levy upon the Basic Rental or Additional Rental payable by Lessee under this lease, unless such tax should be imposed in lieu of, or in partial or complete replacement of the property tax on the Leased Premises. Lessee shall be responsible for the payment of all taxes or other Impositions which are imposed as a partial or complete substitute for an ad valorem property tax upon the Leased Premises without regard to the party legally liable for the payment of such tax or the form, character or nature of such Imposition.

ARTICLE IV
IMPROVEMENTS

Section 4.01. ACCEPTANCE OF PREMISES BY LESSEE. Occupancy of the Leased Premises by Lessee shall be deemed an acceptance thereof in their then condition and an acknowledgement that Lessor has satisfied its obligations with respect to completion of construction.

Section 4.02. REPAIR AND MAINTENANCE. Lessee shall keep the Leased Premises and all improvements located thereon, including without limitation, the foundations, walls, roof, gutters and downspouts, plumbing and sewer lines, heating and air conditioning systems, mechanical and electrical systems and all floors, ceilings and building fixtures and appliances, and the parking areas, landscaped areas, lawns and all other portions of the Leased Premises in good condition and repair and in a clean and sightly condition, subject only to reasonable use and wear, normal maintenance having been provided. Lessee shall comply with all laws, statutes, ordinances and regulations of all governmental authorities having jurisdiction over the Leased Premises and the improvements thereon and with respect to the use and occupancy thereof. Lessee covenants not to do or suffer any waste or damage, disfigurement or injury to any building or improvement now or hereafter on the Leased Premises, or the fixtures and equipment thereof. Lessee shall form all obligations of Lessor and pay all sums required of Lessor during the Term relating to maintenance, repair or upkeep of the roadway easements providing access to, and forming a part of, the Leased Premises.

Section 4.03. ALTERATIONS. Lessee shall have the right to change, alter, repair and replace the buildings, improvements and fixtures now or hereafter on and forming a part of the Leased Premises as Lessee may deem necessary or desirable in connection with the requirements of its business, which such changes and alterations (other than changes or alterations of Lessee's trade equipment) shall be made in all cases subject to the following conditions which Lessee covenants to observe and perform:

(a) No change or alteration shall be undertaken until Lessee shall have procured and paid for, so far as the same may be required from time to time, all governmental permits and authorizations of the various governmental departments or agencies having jurisdiction.

(b) No structural change or alteration shall be undertaken until detailed plans and specifications have first been submitted to and approved in writing by Lessor.

(c) No changes or alterations involving an estimated cost of more than Five Thousand Dollars ($5,000.00) shall be undertaken until Lessor shall have been furnished by Lessee, at Lessee's expense, a bond on which Lessee shall be principal and a surety company authorized to do business in the State of Indiana and satisfactory to Lessor shall be surety, and in form satisfactory to Lessor conditioned upon the completion of and payment in full for such changes or alterations within a reasonable time, subject however, to delays occasioned by strikes, lockouts, acts of God, inability to obtain labor or materials, governmental restrictions or similar causes beyond the control of Lessee; provided, however, that if such changes or alterations are made in connection with restoration of the building after damage or destruction by fire or other casualty as set out in Article VI hereof or as a result of taking by right of eminent domain as set out in Article VII hereof, Lessee shall not be required to furnish a bond as hereinbefore provided, but, in lieu thereof, Lessee may deposit with Lessor or Trustee, without liability for interest on the part of Lessor or Trustee, a sum sufficient to pay the entire cost of any such change or alteration, over and above any insurance proceeds or awards in the hands of Lessor or Trustee, as estimated by the architect under whose supervision the work is to be conducted, under an agreement whereby Lessor or Trustee shall from time to time pay out such sums together with the insurance proceeds or awards in its or their hands upon the written request of Lessee, which request shall be accompanied by a certificate of the architect in charge of work, stating (1) that the sum requested is justly due to the contractors, subcontractors, materialmen, laborers, engineers, architects or other persons, firms or corporations rendering services or materials for such building restoration and changes or alterations thereof, or is justly required to reimburse Lessee for expenditures made by it in connection with such construction, and when added to all sums previously paid out by Lessor or Trustee does not exceed the value of the work done to the date of such certificate; and (2) that the remaining funds so deposited by Lessee with Lessor or

Trustee together with the insurance proceeds or awards in the hands of Lessor or Trustee will be sufficient upon completion of such work to pay for the same in full; and, upon submission of proof satisfactory to Lessor and Trustee that the work has been paid for in full, Lessor and Trustee shall turn over to Lessee the balance of the funds so deposited by Lessee. Any insurance proceeds, if any, remaining in the hands of the Lessor and Trustee (and the balance of awards, if any, payable under the terms of Article VII hereof) shall be transferred to the Bond Fund under the Indentures. Lessee shall also furnish Lessor and Trustee at the time of any such payment with a satisfactory title search, or other evidence satisfactory to Lessor and Trustee, showing that there has not been filed with respect to the Leased Premises any mechanic's or other lien which has not been discharged of record in respect of any work, labor, services, materials or equipment performed, furnished or supplied in connection with any such work. Lessor and Trustee may retain a sum equal to the amount of any such lien and a possible amount of interest, costs and attorney's fee thereon so long as the Leased Premises shall be encumbered with any such lien.

(d) All improvements and alterations (other than the Lessee's trade equipment) made or installed by Lessee shall immediately upon completion or installation thereof be and become the property of Lessor without payment therefor by Lessor, and shall be surrendered to Lessor upon the expiration or sooner termination of the Term of this lease.

Section 4.04. MECHANICS' LIENS. Lessee shall not suffer or permit any valid mechanic's lien to be filed against the Leased Premises or any part thereof by reason of work, labor, services, materials or equipment supplied to Lessee or anyone holding the Leased Premises or any part thereof through or under Lessee. If any such claim of a mechanic's lien shall at any time be filed against the Leased Premises, Lessee shall cause the same to be discharged of record within seventy-five (75) days after the date on which Lessee acquires knowledge of the filing of the same. In the event that Lessee believes it has a valid defense to any such lien which it desires to assert, Lessee may do so upon the posting with Lessor and Trustee of a sufficient undertaking to indemnify Lessor and Trustee against any loss, costs or damages in connection therewith with such surety as Lessor or Trustee may reasonably require. If Lessee

shall fail to discharge any such claimed mechanic's lien within such period, or to provide satisfactory indemnification, then, in addition to any other right or remedy of Lessor, Lessor may, and if demanded by Trustee, shall discharge the same either by paying the amount claimed to be due or by procuring the discharge of such lien by deposit in court or by giving security or in such other manner as is, or may be, prescribed by law. Any amount paid by Lessor or Trustee for any of the aforesaid purposes, and all reasonable legal and other expenses of Lessor or Trustee, including reasonable counsel fees, in or about procuring the discharge of such lien, with all necessary disbursements in connection therewith, shall be repaid by Lessee to Lessor and/or Trustee on demand, and if unpaid may be treated as Additional Rental. Nothing herein contained shall imply any consent or agreement on the part of Lessor or Trustee to subject the Leased Premises or any interest therein to liability under any mechanic's lien law.

Section 4.05. UTILITY CHARGES. Lessee agrees to pay all charges for sewer, water, gas, electricity, telephone or other utility service used upon the Leased Premises throughout the Term and to indemnify and hold Lessor harmless from any liability resulting from any non-payment for any such services.

Section 4.06. USE OF PREMISES. In the use and occupancy of the Leased Premises and in the conduct of its business thereon and therein, Lessee shall comply with all requirements of all laws, ordinances, regulations, rules and orders of all federal, state, county and municipal authoritiies with reference thereto. Lessee shall not cause or maintain any public or private nuisance in, at or on the Leased Premises.

ARTICLE V
INDEMNITY AND INSURANCE

Section 5.01. GENERAL INDEMNITY. Lessee hereby agrees to indemnify and hold Lessor harmless from any loss, cost, claim, liability, damage or expense arising out of or connected with Lessee's use and occupancy of the Leased Premises or arising out of any breach or default of Lessee in the performance of its obligations under this lease. In case any action or proceeding may be brought against Lessor by reason of any such claim, Lessee agrees to resist or defend such action or proceeding and to promptly pay and discharge any final judgment rendered against Lessor therein.

Section 5.02. LIABILITY INSURANCE. Lessee shall procure and maintain in full force and effect throughout the Term general public liability insurance against claims for personal

injury, death or property damage occurring upon, in or about the Leased Premises and in or about the adjoining streets and sidewalks, such insurance to afford protection to both Lessor, Lessee and Trustee to the limit of not less than _____ _____ Dollars ($_____) for injury or death of a single person, and to the limit of not less than _____ _____ Dollars ($_____) for any one occurrence, and to the limit of not less than _____ Dollars ($_____) for property damage. Lessee shall provide Lessor and Trustee with certificates of such insurance from time to time to evidence that such insurance is in force. Such insurance shall provide that the same may not be cancelled without ten (10) days' prior written notice to Lessor and Trustee.

Section 5.03. CASUALTY INSURANCE. Throughout the Term, Lessee shall procure and maintain in force and effect fire and extended coverage insurance upon the building or buildings located upon the Leased Premises in an amount not less than the replacement value thereof, excluding foundation and excavation costs. Such insurance shall cover the risks of fire, windstorm, hail, explosion, riot, civil commotion, vandalism and malicious mischief, collapse and all other hazards covered by extended coverage endorsement. Such insurance shall be written in such a manner that the insuror shall have no rights of subrogation against either Lessor, Lessee or Trustee and such that the full amount of the proceeds of such insurance shall be payable notwithstanding the acts of any such party if such coverage is available. Said policy or policies duly executed by the insurance company or the general agency writing said policies effective not later than the first day of the Term, and providing for at least ten (10) days' written notice to Lessor and Trustee prior to cancellation of said policies, shall be deposited with Lessor and Trustee at all times throughout the Term. Appropriate renewal or replacement policies as above provided shall be deposited with Lessor and Trustee not less than ten (10) days prior to the expiration of any such policies. The policies of insurance shall be written by such company of companies qualified to do business in Indiana as may be acceptable to Lessor and Trustee. All such insurance shall name Lessor, Lessee and Trustee as the insureds, as their interests may appear. If Lessee shall fail or refuse to procure, pay for or keep in force the policies of insurance as set forth herein, or to deliver such policies as provided above, Lessor may, at its election, keep in force and/or from time to time renew such insurance, and all amounts expended therefor shall be further Additional Rental due from Lessee to Lessor along with the next monthly installment of Additional Rental accruing hereunder.

ARTICLE VI
DAMAGE BY CASUALTY

Section 6.01. REPAIR OR RESTORATION. In the event of damage to or destruction of the Leased Premises, or any part thereof, by fire or otherwise, Lessee will promptly repair, restore and rebuild the same as nearly as possible to its condition existing prior to such damage or destruction, or with such changes or alterations as may be made in conformity with Section 4.03 hereof, all at the cost and expense of Lessee. Payments of Basic Rental, Additional Rental, Impositions and other charges payable by Lessee hereunder shall not abate because of any such damage or destruction to the Leased Premises or any part thereof. The provisions and conditions in Section 4.03 applicable to changes or alterations shall similarly apply to work required to be done under this Article VI.

Section 6.02. USE OF INSURANCE PROCEEDS. The proceeds of all insurance payable by reason of any such damage or destruction, less the cost, if any, of recovering such proceeds, shall be paid over to the trust account to be established under Section 5.2 of the Loan Agreement. All such proceeds shall be applied to the payment of the costs of repairing, restoring and rebuilding the improvements upon the Leased Premises and shall be paid out from time to time in the same manner and subject to the same conditions as set forth in Section 5.2 of the Loan Agreement and in Section 4.03 hereof. If the insurance money together with such other sums, if any, as may be deposited by Lessee pursuant to Section 4.03 hereof, shall be insufficient to pay the entire cost of such work, Lessee agrees to pay the deficiency. Upon completion of the repair and restoration and payment in full of the costs thereof by Lessee, and upon submission of proof satisfactory to Lessor that the work has been paid for in full, and after reimbursement to Lessee of any sums expended by it in such repair and restoration, any insurance money then remaining upon deposit in said trust account pursuant to the terms of Section 5.2 of the Loan Agreement shall be paid into the Bond Fund under the Indenture.

ARTICLE VII
EMINENT DOMAIN

Section 7.01. TOTAL TAKING. If during the Term the entire Leased Premises shall be taken by an exercise of the power of eminent domain (hereinafter referred to as the "Proceeding"), this lease shall terminate as of the date of the vesting of title in the taking authority pursuant to such Proceeding.

Section 7.02. PARTIAL TAKING. If during the Term less than the entire Leased Premises shall be taken in any such Proceeding, this lease shall terminate as to the portion of the Leased Premises so taken upon the vesting of title in the Proceeding and, subject to the limitations hereinafter set forth, Lessee may terminate this lease as to the remainder of the Leased Premises if such partial taking should materially and substantially impair Lessee's ability to use the remainder of the Leased Premises not so taken. Such termination as to the remainder of the Leased Premises shall be made effective by a notice in writing from Lessee to Lessor given not later than sixty (60) days after the vesting of title in such Proceeding, and shall specify a date not more than sixty (60) days after the giving of such notice as the date for such termination. Upon the date specified in such notice, the Term and all right, title and interest of Lessee hereunder shall cease and come to an end. The right of Lessee to terminate this lease as in this Section 7.02 provided shall be exercisable only upon condition that Lessee is not in default in the performance of any of the terms, covenants or conditions of this lease on its part to be performed, and such termination upon Lessee's part shall become effective only upon payment in full of the interest on and principal of the Bond. Lessee shall be required to pay any amount required in addition to the net proceeds of any award paid in the Proceeding to redeem the Bonds at the earliest possible date at the prices set forth in Section 3.01 of the Indenture. In the event that Lessee does not terminate this lease as to the remainder of the Leased Premises, Lessee shall be responsible for any necessary restoration of the improvements on the remainder of the Leased Premises as required for Lessee's use thereof. Notwithstanding the fact that Lessee shall have the burden of going forward with the work of restoration of the Leased Premises, Lessor agrees to reimburse Lessee for the costs of such restoration; provided, however, that Lessor's obligation to reimburse Lessee for such costs of restoration shall only be to the extent to which the costs of such restoration exceed the amount of any damage award received by Lessee as a result of such taking, and, provided, further, that Lessor's obligation to reimburse Lessee for such excess costs of restoration shall not exceed the amount of any damage award received by Lessor as a result of such taking. The provisions and conditions in Section 4.03 applicable to changes or alterations shall similarly apply to work required to be done under this Section 7.02. If the funds to be applied by Lessor as in this section provided shall be insufficient, together with other funds derived from any award payable to Lessee, to pay the entire cost of such restoration, Lessee agrees to pay any such deficiency. Lessee shall not be entitled to any abatement of any part of the Basic Rental as a

result of any such partial taking except to the extent that such taking should result in the payment of an award or some part thereof into the Bond Fund under the Indenture and the use of such Bond Fund to pay the interest on and principal of the Bonds. Lessee shall be entitled to an abatement and annual reduction of the Additional Rental payable hereunder in an amount that is equal to the same percentage of the total Additional Rental as the percentage of the total fee simple portion of land area described in Exhibit A that is taken in such Proceeding, such reduction and abatement to be effective from and after the possession of that portion of the Leased Premises is taken by the condemning authority.

Section 7.03. TEMPORARY TAKING. If all or any portion of the Leased Premises is taken by the exercise of the right of eminent domain for governmental occupancy for a limited period, this lease shall not terminate and Lessee shall continue to perform its obligations hereunder as though such taking had not occurred except to the extent that it may be prohibited from so doing pursuant to the terms of the order of the authority which made the taking. In the event of such a temporary taking, Lessee shall be entitled to the entire award made for such taking (whether by way of damages, rent or otherwise) unless the period of governmental occupancy extends beyond the termination of the Term, in which case the award shall be apportioned between Lessor and Lessee as of the date of such termination. Lessee covenants that at the termination of any such governmental occupancy during the Term it will, at its sole cost and expense, restore the building forming a part of the Leased Premises as nearly as may be reasonably possible to the condition in which the same was prior to such taking.

Section 7.04. DISTRIBUTION OF DAMAGES. Lessor and Lessee shall, to the extent possible, each negotiate separately with the taking authority for compensation for any and all damages, loss or injury that each may suffer as the result of any permanent taking of all or any portion of the Demised Premises. If the question of damages for the taking is litigated in court, then the parties agree to cooperate with each other in the trial of such action to the end of obtaining the highest award possible in the court having jurisdiction of said cause. Any award received by Lessor as a result of a partial taking and not utilized to repair any damage to the Leased Premises caused by such taking and restore the same to a condition usable by Lessee shall be paid into the Bond Fund under the Indenture.

Section 7.05. VESTING OF TITLE. Whenever the term "vesting of title" or any similar phrase is used in this

Article, a taking of possession by the condemning party shall be deemed a vesting of title.

Section 7.06. RIGHTS ON TERMINATION. Upon any termination of this lease as a result of an exercise of a right of eminent domain, all Basic Rental, Impositions, Additional Rental and charges of all types shall be adjusted and prorated to the date of such termination and all other rights and obligations of the parties hereunder shall be terminated as of said date.

ARTICLE VIII
ASSIGNMENT AND SUBLETTING

Section 8.01. CONSENT REQUIRED. Lessee shall not assign this lease or sublet the Leased Premises, or any part thereof, without the prior written consent of Lessor and, if the interest on and the principal of the Bonds have not been paid in full, the Trustee. Notwithstanding the giving of any such consent by Lessor and/or Trustee and assignment or subletting pursuant thereto, Lessee shall remain fully and primarily liable for the performance of all obligations of Lessee under the terms of this lease.

ARTICLE IX
DEFAULTS AND REMEDIES

Section 9.01. DEFAULTS BY LESSEE. The occurrence of any one or more of the following events shall be deemed an "Event of Default":

(a) The making by Lessee of an assignment for the benefit of its creditors;

(b) The levying of a writ of execution or attachment on or against the Leased Premises as the property of Lessee and the same not released or discharged within sixty (60) days thereafter;

(c) Institution of proceedings in a court of competent jurisdiction for the reorganization, liquidation or involuntary dissolution of Lessee, or for its adjudication as a bankrupt or insolvent, or for the appointment of a receiver of the property of Lessee, and said proceedings are not dismissed, and any receiver, trustee or liquidator appointed therein discharged, within sixty (60) days after the institution of said proceedings; or

(d) The failure of Lessee to pay any installment of Basic Rental within one (1) day after its due date or the failure to pay any Additional Rental, or any Imposition within ten (10) days after written notice, or to perform any other of its covenants under this lease within thirty (30) days after written notice.

In the event that any such claimed default (other than a default in payment of Basic Rental, Impositions or Additional Rental) is of a nature that it cannot be cured within thirty (30) days, no Event of Default shall be deemed to have occurred so long as Lessee is diligently pursuing appropriate action to cure the default if such action was commenced within thirty (30) days after the giving of notice of default. In the event that Lessee is adjudicated to be a bankrupt, this lease shall automatically terminate and be of no further force or effect without the exercise of any option or election whatsoever on the part of Lessor. Lessee's liability as set forth in Section 9.02 hereof shall survive any such termination.

Section 9.02. RE-ENTRY. Upon the occurrence of an Event of Default, Lessor may re-enter the Leased Premises, with or without process of law, using such force as may be necessary, and remove all persons and property therefrom, and Lessor shall not be liable for damages or otherwise by reason of such re-entry or termination of this lease. In addition to all other obligations of Lessee, Lessee shall be liable for the cost of seizure and repossession of the Leased Premises and reasonable attorneys' fees incurred as a result of, or to complete, the seizure and repossession of the Leased Premises. Upon regaining possession of the Leased Premises, Lessor shall utilize its best efforts to relet the Leased Premises. Lessor may relet the Leased Premises at such rental and upon such terms as Lessor may deem reasonable under the circumstances. Lessor is authorized to make all necessary repairs and alterations in or to the Leased Premises for the new lessee and to charge the cost thereof to Lessee. The net amount of rental received by Lessor from such releting, after deduction of any and all costs and expenses incurred in connection with such repossession and releting, shall be credited upon Lessee's obligations to Lessor. In addition thereto, if all interest on and principal of the Bonds have been paid in full, Lessor may terminate this lease upon the occurrence of any Event of Default.

Section 9.03. ADVANCES. In the event of any breach or default of this lease by Lessee, Lessor may, after ten (10) days' written notice to Lessee, cure such breach or default for

the account and at the expense of Lessee. Any cost or expense incurred by Lessor in curing such a breach or default for the account of Lessee, together with interest at the rate of fifteen percentum (15%) per annum, shall be deemed further Additional Rental due from Lessee to Lessor on the first day of the month following the payment of such money or incurrence of such costs or expenses and the certification of the amount thereof to Lessee by Lessor.

Section 9.04. ATTORNEYS' FEES. Lessee hereby agrees to pay all reasonable attorneys' fees incurred by Lessor in enforcing any of the terms and provisions of this lease. All payments to be made under this lease shall be without relief from valuation or appraisement laws.

ARTICLE X
ACCESS TO PREMISES

Section 10.01. INSPECTION. Lessor shall have the right to enter upon the Leased Premises at any time for the purpose of inspecting the same to determine that Lessee is fully performing all of its obligations under this lease.

Section 10.02. EXHIBITION OF LEASED PREMISES. At any time during regular business hours within six (6) months prior to the expiration of the Term, Lessor may enter upon the Leased Premises for the purpose of exhibiting the same to prospective lessees. At any time during the Term, upon reasonable notice to Lessee, Lessor shall have the right to enter upon the Leased Premises for the purpose of exhibiting the same to prospective purchasers or mortgagees.

Section 10.03. EXERCISE OF RIGHTS. The exercise of the rights of Lessor as in this Article contained shall not be deemed as a trespass upon the Leased Premises or a constructive eviction of Lessee therefrom.

ARTICLE XI
COVENANT OF QUIET ENJOYMENT

Section 11.01. LESSOR'S COVENANT. Lessor covenants and agrees that Lessee, upon paying the Basic Rental, Impositions, Additional Rental and all other charges herein provided for and observing and keeping the covenants, agreements and conditions of this lease on its part to be kept and performed, may lawfully and quietly hold, occupy and enjoy the Leased Premises during the Term.

ARTICLE XII
RIGHTS ON TERMINATION

Section 12.01. SURRENDER OF LEASED PREMISES. At the expiration of the tenancy created hereunder, whether by lapse of time or otherwise, Lessee shall surrender the Leased Premises to Lessor, including the surrender to Lessor of all buildings, parking areas and other improvements then located upon and forming a part of the Leased Premises (other than Lessee's trade equipment) all to be in good condition and repair, the effects of reasonable wear and tear with normal maintenance having been given being excepted.

Section 12.02. HOLDING OVER. In the event Lessee remains in possession of the Leased Premises with the consent of Lessor after the expiration of the Term, and without the execution of a new lease or an extension of this lease, it shall be deemed to be occupying the Leased Premises as a tenant from month to month at the same rent and subject to all the other conditions, provisions and obligations of this lease insofar as the same are applicable to a month to month tenancy. Such month to month tenancy may be terminated by either party as of the end of any calendar month upon the giving of notice of such termination prior to the beginning of such calendar month.

ARTICLE XIII
NOTICES

Section 13.01. MANNER OF GIVING. Whenever under this lease a provision is made for notice of any kind, such notice shall be in writing and it shall be deemed sufficient notice and service thereof if such notice is to Lessee and sent by registered mail, postage prepaid, addressed to Lessee at 6225 Commodity Court, Fort Wayne, Indiana 46808, or to such other post office address as Lessee may furnish to Lessor for such purpose; and if to Lessor, sent by certified or registered mail, postage prepaid, to Lessor at 6225 Commodity Court, Fort Wayne, Indiana 46808, or to such other post office address as Lessor may furnish to Lessee for such purpose. A duplicate copy of each such notice given hereunder shall be given in the same manner to the Trustee at Lincoln National Bank and Trust Company of Fort Wayne, 116 East Berry Street, Fort Wayne, Indiana 46802, Attention: Trust Department, or at such other address as Trustee may furnish to Lessor and Lessee for such purpose. All such notices shall be deemed given on the date that they are so addressed, certified or registered and deposited in the United States mails.

ARTICLE XIV
GENERAL PROVISIONS

Section 14.01. REMEDIES CUMULATIVE - NON-WAIVER. The various rights and remedies herein contained and reserved to each of the parties shall not be considered as exclusive of any other right or remedy of such party, but shall be construed as cumulative and shall be in addition to every other remedy now or hereafter existing at law, in equity or by statute, and said rights and remedies may be exercised and enforced concurrently and whenever and as often as occasion therefor arises. No delay or omission to exercise any right or power by either party shall impair any such right or power, or be construed as a waiver of any default or as acquiescence therein. One or more waivers of any covenant, term or condition of this lease by either party shall not be construed by the other party as a waiver of a subsequent or continuing breach of the same covenant, term or condition. The consent or approval by either party to or of any act by the other party of a nature requiring consent or approval shall not be deemed to waive or render unnecessary consent to or approval of any subsequent similar act.

Section 14.02. COMPLETE AGREEMENT. The headings of the several articles and sections contained herein are for convenience only and do not define, limit or construe the contents of such articles and sections. All negotiations, considerations, representations and understandings between the parties are incorporated herein and may be modified or altered only by agreement in writing signed by the party to be bound.

Section 14.03. CONSTRUCTION OF TERMS. The term "Lessor" as used in this lease so far as covenants or obligations on the part of Lessor are concerned shall be limited to mean and include only the owner or owners at the time in question of the fee simple title to the Leased Premises, and in the event of any transfer or transfers of the fee simple title to the Leased Premises, the Lessor herein named (and in case of any subsequent transfers or conveyances, the then grantor) shall be automatically freed and relieved from and after the date of such transfer or conveyance of all future personal liability as respects the performance of any covenants or obligations on the part of Lessor contained in this lease thereafter to be performed, provided that, any funds in the hands of such Lessor or the then grantor at the time of such transfer, in which Lessee has an interest, shall be turned over to the grantee and any amount then due and payable to Lessee by Lessor or the then grantor under any provision of this lease shall be paid to

Lessee, it being intended hereby that the covenants and obligations contained in this lease on the part of Lessor shall, subject as aforesaid, be binding on Lessor, their heirs, personal representatives, successors and assigns, only in respect of their respective successive periods of ownership of fee simple title to the Leased Premises.

Section 14.04. CONFLICTS BETWEEN INSTRUMENTS. Lessee covenants and agrees to perform all and singular the obligations of Lessor with respect to the Leased Premises under the terms of the Loan Agreement and the Indenture. In the event of any conflict between the terms of this lease and the terms of the Loan Agreement and the Indenture, the provisions contained in the Loan Agreement and the Indenture shall be controlling.

Section 14.05. GOVERNING LAW. This lease and any questions of interpretation thereof shall be governed by the laws of the State of Indiana.

Section 14.06. AGREEMENT BINDING UPON SUCCESSORS. The covenants, agreements and obligations herein contained shall extend to, bind and inure to the benefit not only of the parties hereto, but their respective successors and assigns.
